Chapter 16: LOW-INCOME HOUSING TAX CREDIT RULE

SECTION 1: INTRODUCTION

The federal Low-Income Housing Tax Credit (LIHTC) was created by the Tax Reform Act of 1986 to encourage private capital investment in the development of affordable rental housing. It is governed by [Section 42](#) of the Internal Revenue Code of 1986, as amended, and associated regulations. As the designated housing credit agency for the State of Maine, MaineHousing is required by [Section 42](#) of the Code and [30-A MRSA §§4741\(1\) and \(14\)](#) to adopt a Qualified Allocation Plan (QAP) for allocating and administering LIHTC; this rule is the State's QAP.

This rule repeals and replaces in its entirety the prior Chapter 16, *Low Income Housing Tax Credit Rule*, except that the allocation provisions continue to apply to projects that were awarded LIHTC under a prior rule, or a program subject to a prior rule.

Capitalized terms used in this rule are defined in **Appendix A**, unless the context otherwise indicates, or if not defined therein, have the same meaning as set forth in [Section 42](#) of the Code.

SECTION 2: HOUSING NEEDS AND PRIORITIES

MaineHousing and the Department of Economic and Community Development annually complete a statewide needs assessment as part of the Consolidated Housing and Community Development Plan. *Maine Consolidated Plan (2020-2024)* establishes the following housing priorities:

- A. expand affordable housing opportunities;
- B. improve and preserve the quality of housing; and
- C. help Maine people attain housing stability.

SECTION 3: SET-ASIDES AND MAXIMUM CREDIT AMOUNT

- A. Nonprofit Set-Aside. MaineHousing will set aside ten percent (10%) of the annual State Ceiling for Projects in which a Qualified Nonprofit Organization owns an interest and materially participates in the development and operation throughout the Compliance Period in accordance with [Section 42\(h\)\(5\)\(B\)](#) of the Code. An Applicant will qualify if it is owned by either a Qualified Nonprofit Organization, or a business corporation which is 100% owned by one or more Qualified Nonprofit Organization(s), and (in accordance with [Section 42\(h\)\(5\)\(C\)](#) of the Code) it is the general partner or manager/managing member and controls the Project's development and day-to-day operation.

- B. Preservation Set-Aside. MaineHousing will set aside up to \$300,000 of the annual State Ceiling for the preservation and rehabilitation of one existing multifamily rental housing project if the scope of rehabilitation meets the minimum requirements set forth in Section 5.D.2. and one of the following:
1. at least 25% of its units, or those in a Related Development, are assisted under a Rural Development program; or
 2. at least 25% of its units will be converted to Section 8 under HUD's Rental Assistance Demonstration (RAD) Program.
- Demolition and reconstruction on an existing housing site will be treated as new construction and is not eligible for this set-aside.
- C. Maximum Credit Amount. The maximum amount of Credit that will be allocated for each Project is the least of (i) \$20,000 per Credit Unit, (ii) 25% of the State Ceiling, and (iii) the amount MaineHousing determines is necessary to ensure the Project's financial feasibility and long-term viability.

SECTION 4: ALLOCATION PROCESS

- A. Pre-Application Submission. Each Project must undergo a mandatory Pre-Application review by MaineHousing to assess its feasibility, suitability for housing, and eligibility for Credit. Applicants must submit the information and documents set forth in **Appendix B** with the pre-application fee specified in Section 4.C. to MaineHousing by Thursday, July 9, 2020 for the 2021 QAP and by Thursday, June 10, 2021 for the 2022 QAP. MaineHousing will discuss Projects with 2021 QAP Applicants by Tuesday, August 11, 2020 and with 2022 QAP Applicants by Tuesday, July 13, 2021. An Applicant will not be eligible for Credit if
1. it fails to provide a complete Pre-Application submission in accordance with this subsection, or
 2. there is any material change in the Project between the Pre-Application submission and the Application unless required by MaineHousing.
- B. Application. Applications are subject to the following limitations, conditions and requirements:
1. Existing Housing.
 - a) Acquisition and Rehabilitation Projects. Projects that involve the acquisition and rehabilitation of Affordable Housing must include the addition of at least 20 new units, or meet the requirements of the Preservation Set-Aside in Section 3.B.

- b) Demolition of Existing Housing. Demolition of existing housing that has not been condemned or declared blight by a municipality is not eligible unless approved by MaineHousing.
2. Deadline. The deadlines for submitting Applications are 5:00 PM on Thursday, September 24, 2020 for the 2021 State Ceiling and 5:00 PM on Thursday, August 26, 2021 for the 2022 State Ceiling.
 3. Format. The Application must be completed and submitted electronically in the form and manner prescribed by MaineHousing. MaineHousing may require the Applicant to submit additional information.
- C. Fees. Applicants must pay the following fees when due. All fees are non-refundable.

Type of Fee	Amount	Due Date
Pre-application Fee	\$2,000	By Pre-application deadline in Section 4.A.
Application Fee	\$2,500	Postmarked for delivery by Application deadline in Section 4.B.2
Allocation Fee	7.5% of Credit	Earlier of Carryover Allocation (Section 8.B.) or Final Allocation (Section 8.A.)
Monitoring Fee*	\$1,000 per Credit Unit	Final Allocation (Section 8.A.)

*MaineHousing may charge an additional monitoring fee to cover any increased costs due to income averaging or other extraordinary monitoring requirements during the Compliance Period.

- D. Ineligible Applicants. An Application will be deemed ineligible if one or more of the following has occurred:
1. The Applicant, any Principal thereof, or Affiliates of either
 - a) has an uncorrected IRS Form 8823 in connection with any LIHTC Project to the extent it is correctable unless previously waived by MaineHousing;
 - b) has been declared in default or has been 60 calendar days or more delinquent on any loan with MaineHousing, unless the default or delinquency has been cured or there is an approved payment or workout plan in good standing prior to the Application deadline;
 - c) has ever been the owner of any project in which MaineHousing has foreclosed a mortgage interest or received a deed-in-lieu of foreclosure of a mortgage interest unless previously waived by MaineHousing;

- d) is presently debarred, suspended, proposed for debarment, or excluded from participation in any federal or state programs;
 - e) has in the last 10 years either commenced or had commenced against it any proceeding in or for bankruptcy, receivership, reorganization or any other arrangement for relief from creditors commenced against it that affected a MaineHousing-funded project that was not dismissed within 90 calendar days; or
2. The tax credit syndicator, investor, or Affiliates of either
- a) transferred its interest in any LIHTC Project after March 25, 2014 in violation of the Ownership Transfer Rule; or
 - b) failed to make any required capital contributions with respect to any LIHTC Project, and has not corrected such actions prior to the Application deadline.

MaineHousing may reject the Application if it determines the deficiencies are not addressed. MaineHousing may also require financial statements from the Applicant, Principal thereof, or Affiliates of either.

- E. Notice to Local Jurisdiction. Upon receipt of an Application, MaineHousing will notify the Chief Executive Officer of the municipality with jurisdiction over the location of the proposed Project. The notice will provide for a 15-day comment period. MaineHousing will consider any comments received.
- F. Selection Process. Applications for the State Ceiling with the highest scores will be awarded Credit until the applicable State Ceiling is fully awarded.
 - 1. The preservation set-aside is limited to one Project. If the set-aside is not sufficient to complete the Project proposed in the highest scoring eligible Application, MaineHousing may allocate additional Credit, allocate the Credit under the set-aside to the next highest-scoring eligible Application that does not need more than the set aside, or not allocate any Credit under the preservation set-aside. All Applications that participate in the preservation set-aside and do not win will be placed on a waiting list.
 - 2. The highest scoring Qualified Nonprofit Organization will be the winner of the nonprofit set-aside regardless of its ranking among other Applicants. If the set-aside is not fully awarded to the highest scoring eligible Applicant, MaineHousing may allocate additional Credit to the next highest scoring eligible Applicant for the set-aside, not fully allocate Credit under the set-aside, or require an Applicant that has not indicated that it is participating in the set-aside to participate in the set-aside. MaineHousing may, if necessary, require the Applicant to change its ownership structure. All Applications that participate in the nonprofit set-aside and do not win will be scored with the other Applications.

3. Except as set forth above, MaineHousing will make awards in score order to select threshold-eligible Applications. If the last Application selected for an award of Credit needs more Credit than remains under the applicable State Ceiling, MaineHousing may elect to either (a) not award the remaining Credit to any Application, or (b) award additional Credit under the next annual State Ceiling to the Application. All threshold-eligible Applications that are not selected will be placed on a waiting list. Any Credit that is returned or is otherwise unused will be made available to waiting list Applications using this process.
- G. Notice to Proceed. MaineHousing will meet with each Applicant selected for a Credit award. If the Applicant accepts the Credit award conditions, MaineHousing will issue a Notice to Proceed. Applicants must execute and return the Notice within the time period specified.
- H. Credit Allocation. Upon receipt of the fully executed Notice to Proceed, MaineHousing will evaluate the Application pursuant to Section 7 to determine the amount of Credit, if any, to be allocated.
- I. Termination of Application or Notice to Proceed. MaineHousing will deem an Application withdrawn and any Notice to Proceed cancelled if one or more of the following occur without MaineHousing's written approval after the Application is submitted:
1. The Application or the Notice to Proceed is assigned or the Applicant or any Principal thereof changes;
 2. The location of the Project changes from the location identified in the Application;
 3. There is any change which would result in a net reduction in the Application's score except as provided in Section 6.H;
 4. There is a change in the Project's design or financing from what was in the Application which MaineHousing determines would result in a substantial increase in the amount of Credit or other MaineHousing funding;
 5. The Project's TDC Index exceeds the TDC Index Cap, or any other failure to meet the threshold requirements in Section 5;
 6. There is any other material or substantive amendment or change to the Application; or
 7. Any event in Section 4.D. occurs and is not cured within any applicable cure period

SECTION 5: THRESHOLD REQUIREMENTS

Applications must meet the following threshold requirements to be eligible for Credit:

- A. **Affordability.** An Applicant must agree that the Project will comply with [Section 42](#) of the Code and this QAP for a minimum period of 45 years to maintain the Project as residential rental housing, keep at least 60% of the total Credit Units in a Project occupied by persons with 50% area median income and keep the Credit Units in the Project rent-restricted in accordance with [Section 42](#) of the Code. The applicant waives the right to request MaineHousing to present a qualified contract under [Section 42\(h\)\(6\)](#) of the Code.
- B. **Section 811.** For Family Housing, the Applicant agrees to accept HUD Section 811 Project Rental Assistance (PRA) and comply with the program requirements, if made available by MaineHousing. This does not necessarily constitute a commitment of PRA funding.
- C. **Total Development Cost (TDC).** Cost reasonableness will be evaluated using an index, which is the weighted average of the TDC per unit and the TDC per bedroom. For mixed-use projects, the TDC for only the residential portion of the project, including common areas, will be used for this calculation. The weighted average will be calculated as follows:

$$([2 \times \text{TDC/unit}] + [\text{TDC/bedroom}]) \text{ divided by } 3.$$

The product of this calculation will be referred to throughout this document as the “TDC Index”. An Application will be rejected if the TDC Index exceeds the TDC Index Cap below for a project of its type at any time prior to the later of the construction loan closing or carryover allocation.

Type of Project	TDC Index Cap
Adaptive Reuse	\$270,000 per unit
New construction	\$255,000 per unit
Acquisition and rehabilitation of existing housing	\$165,000 per unit

Demolition and reconstruction of all housing on the same site or another site will be treated as new construction. If a Project involves more than one project type, the TDC Index Cap for the Project is the average of the TDC Index Caps allocable to each type, weighted by the number of units of each type. TDC Index Caps are increased by 3% for Projects that receive Passive House Certification.

- D. **Acquisition and Rehabilitation of Existing Housing.** Projects that involve the acquisition and rehabilitation of existing multifamily housing are subject to the following:
 1. **Capital Needs Assessment.** The Application must include a capital needs assessment satisfying the requirements set forth in **Appendix C**.
 2. **Minimum Rehabilitation Requirements.** The Rehabilitation Costs per unit of existing housing must be at least \$50,000.

3. Relocation/Displacement. The Project must comply with MaineHousing's *Temporary Relocation and Permanent Displacement Policies* and, if the Project is federally-assisted, all applicable federal requirements, including the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended. The Applicant must take reasonable steps to minimize the displacement of existing tenants of the Project. The Application must identify any tenants who will be permanently displaced and the reason for the displacement. The Project's TDC must include all costs associated with permanent and temporary displacement or relocation. MaineHousing will not allocate Credit until it has approved a project's relocation plan.
- E. Development and Management Experience and Capacity. Applicant teams must have sufficient knowledge, experience and capacity to adequately design, develop, complete, maintain, manage, and operate LIHTC Projects and to provide related services, such as accounting, tax and legal advice, and resident service coordination. If MaineHousing determines the Applicant's team lacks sufficient qualifications, the team may be required to
1. hire a qualified consultant,
 2. hire additional qualified staff, or
 3. replace a team member.
- F. Site Control. The Applicant must have site control of the Project throughout the Application process in the form of an option, a purchase and sale contract, ownership, or long-term lease. The Applicant, its agents, and MaineHousing must have access to the Project site, and if the Project is an existing occupied property, access to records and other information about the existing tenants, including current rent and income information.
- G. Growth Management Limitations. A Project that involves the new construction or acquisition of newly-constructed residential rental property or the conversion of existing buildings to residential rental property must comply with the State's Growth Management Law, [30-A M.R.S.A. § 4349-A](#), as amended. Projects must meet one of the following two sets of criteria to be eligible for a Credit allocation:
1. If the municipality in which the Project is located has adopted a comprehensive plan or growth management plan that is consistent with applicable State law, then the Project must be in a designated growth area as identified in such plan; or
 2. Otherwise the Project must be located in an area
 - a) served by a public sewer system with existing capacity for the Project,
 - b) identified as a census-designated place in the latest Federal Decennial Census, or
 - c) in an urban municipality and defined under [23 M.R.S.A. § 754](#) as compact.

The law exempts projects that exclusively serve certain populations, such as persons with disabilities, who are homeless, or are wards of the State.

H. Project Feasibility. The Applicant must have the financial ability to develop and complete the Project and to operate it throughout the Compliance Period.

1. Development Budget. The Applicant must identify

- a) all sources of funding for development and completion, whether direct or indirect, including the amount, timing, terms, conditions, and status (e.g. “applied for” or “committed”) as of the date of the Application and uses of the funding based on the projected costs of and schedule for developing and completing the Project; and
- b) all sources and uses of funding for the Project, whether direct or indirect and whether they are included in the development budget for the Project.

2. Operating Budget. The Applicant must identify all

- a) sources of income, including rent from the residential units, any income from commercial or non-residential space, and the amount, terms and conditions of rental or operating assistance; and
- b) costs of operating the Project as projected over the Compliance Period. The Applicant also must identify all forms of property tax relief (such as a PILOT, tax abatement or exemption, or Tax Increment Financing) and other assistance that reduces operating costs.

3. Related Development. Any Related Development must be completed prior to or concurrently with the completion of the Project, and there must be sufficient funding to operate the Related Development.

4. Financial Re-Characterization. MaineHousing may re-characterize any information about the sources and uses for a Project and any Related Development, such as information that is inconsistent with the requirements of a funding source or is unreasonable based on comparable LIHTC Projects, industry standards, or market conditions. The Applicant must address all development and operating deficits identified by MaineHousing.

I. Project Design. The design and construction or rehabilitation of the Project must comply with MaineHousing’s Construction Standards and all applicable local, state and federal codes, regulations, statutes and ordinances.

J. Project Amenities. The Project must have the following amenities and services:

1. Community Room. The Project must include an on-site community room with sufficient capacity to serve tenants' needs. For a scattered-site Project, only one community room is required and should be centrally located to the greatest extent possible to best serve all tenants;
2. Laundry Facilities. The Project must include either a washer/dryer hook-up in each unit or a fully accessible, centrally located laundry facility with sufficient capacity to serve all tenants; and
3. Telemedicine Capabilities. The Project must include broadband infrastructure with capacity sufficient to support the provision of Telemonitoring and/or Telehealth services.

Broadband infrastructure includes cables, fiber optics, CAT5e (or greater) interior wiring, or other permanent (integral to the structure) infrastructure, including wireless infrastructure, as long as the installation results in broadband infrastructure in each dwelling unit sufficient for the build-to standard established by ConnectME Authority.

The providers and the tenants may not be charged for the use of the internet or wireless and telephone services provided for telemedicine services.

4. Shared Facilities. An amenity will meet the requirements if the Project
 - a) is fully accessible and located on an accessible path to the Project,
 - b) is within an existing multifamily housing project adjacent to the subject site,
 - c) has sufficient capacity to serve both the Project's tenants and the existing project,
 - d) will be available to the Project's tenants during the Compliance Period on the same terms as the residents of the existing multifamily project, and
 - e) will not charge the tenants to use the shared amenity other than a reasonable fee that does not exceed the amount charged to any others for the same use.
5. Recreational Activities. An area(s) of recreational activity must be located on the Project site or within a ½ mile. The area(s) and activities must be free of charge to the tenants and not require membership. Projects with single-family detached style units satisfy this requirement if each unit has a private lawn with sufficient room for playground equipment, gardening or other activities acceptable to MaineHousing.
6. Exceptions. The requirements of this subsection do not apply to existing multifamily housing projects if the Applicant cannot comply with the requirements because of the nature of the site, structural limitations, zoning restrictions or other land use limitations.

- K. Resident Service Coordination. The Applicant must make a resident service coordinator available to the tenants on-site a minimum of one (1) hour per week for every five (5) Credit Units over an appropriate number of days each week acceptable to MaineHousing. The coordinator shall meet with tenants in a private and confidential manner to evaluate individual needs and make appropriate referrals. The services provided must be free of charge to the tenants. The Applicant must maintain adequate funding throughout the Compliance Period.
- L. Smoke-free Housing. The Applicant must
1. implement a written occupancy policy prohibiting smoking in the units and common areas,
 2. include a non-smoking clause in the lease for every household, and
 3. make educational materials on tobacco treatment programs (including the phone number for the statewide Maine Tobacco HelpLine) available to all tenants through the resident service coordinator.
- M. Waiting List Preference. The Applicant must give an occupancy preference to eligible persons whose names are on a public housing or Section 8 waiting list, except for Projects financed by Rural Development or with Section 8 Project-Based Rental Assistance.

SECTION 6: SCORING CRITERIA

The Applicant must complete all information and submit all documentation required to be eligible for points.

Project Characteristics

- A. Rehabilitation or Reuse of Existing Housing, Structure or Site. **3 Points**

The Project site exhibits one or more of the following characteristics:

2. Rehabilitation, remediation, or reuse of an existing building or structure that has a current use other than multifamily rental housing;
3. One or more buildings or structures used for purposes other than single family residential housing or agriculture purposes, have been or will be demolished or removed for purposes of redeveloping the site;

The Applicant agrees to accept and use any funding from MaineHousing’s National Housing Trust Fund program for the Project. Any funding award will require a certain number of units in the Project to be affordable to and occupied by Extremely Low Income households. Awarding points is not a commitment of funding from the National Housing Trust Fund.

If any Below Market Capital for which an Applicant was awarded points is reduced or terminated and the Project becomes infeasible, the Applicant must find alternative funding with similar terms within 90 calendar days of notification from MaineHousing or MaineHousing will re-score the Application. Rescoring may result in loss of funding or developer penalties in future rounds.

I. Acquisition Cost. **Up to 4 points**

Points are based on the percentage by which the acquisition costs are less than the average acquisition costs for a project of its type as follows:

Experience developing and operating multifamily rental housing.	2 points

Q. Owner Performance. Up to 4 Points

Points are based on the recent performance of the Applicant. MaineHousing may reject the Application if it determines outstanding deficiencies are not addressed, or require financial statements from the Applicant, Principals thereof, or Affiliates.

Has not been 60 calendar days or more delinquent in the payment of any MaineHousing loan since September 22, 2014 (except delinquencies resulting from the delay or loss of Section 8 housing assistance payments), declared in default by MaineHousing, nor had a municipal tax lien placed on any housing funded by MaineHousing.	2 points
For the 2022 QAP only, no LIHTC Projects still in their Compliance Period had a year-end operating deficit, in the last full Fiscal Year, unless the operating deficit was fully funded by the Application deadline.	1 point
Was not (a) issued an IRS Form 8823 for any reason other than a violation of UPCS or local inspection standards (box 11c) that was subsequently reported as “noncompliance corrected” within the correction period, nor (b) had an IRS audit finding resulting in a recapture event, since September 22, 2016.	1 point

S. Management Performance. Up to 3 points

Management Companies who have proven exceptional performance in their management of LIHTC Projects still in their Compliance Period are eligible for points as follows.

The average of the most recent physical plant inspection scores as of June 30 before the Application deadline is equal to Above Average or better.	1 point
The average of Project Reports submission scores for the last reporting period as of June 30 before the Application deadline is equal to Above Average or better.	1 point
The average of the most recent Management and Occupancy Review scores as of June 30 before the Application deadline is equal to Above Average or better.	1 point

T. Tie Breaker.

If more than one Application has the same score, the Application for the least amount of Credit and 0% deferred debt from MaineHousing per unit will have priority. If the Applications request the same amount of these resources, the Application with the most acceptable plan to convert the Project to affordable homeownership for the residents after the Extended Use Period will have priority. The plan must describe the process for transferring ownership to the residents, the purchase price or process for determining it, any financial assistance available for residents (including any reserves), how the affordability will be maintained, and must provide for homebuyer counseling and professional representation of the residents at the time of the conversion.

U. Review Process.

MaineHousing will notify each Applicant of its initial score in writing. If MaineHousing assigns a score in a scoring category which is lower than the score the Applicant assigned itself in the scoring category, the Applicant will have five business days from such written notice to demonstrate to MaineHousing that the Application as submitted should receive the higher score. MaineHousing will then make a final determination of scores and the ranking of Applications.

SECTION 7: PROJECT EVALUATION

A. Amount of Credit. The amount of Credit allocated will be determined as follows:

1. The Applicable Percentage for the month in which the calculation is made will be used to determine the amount of Credit;
2. The calculation of the amount of Credit will be based on 130% of Eligible Basis. MaineHousing has designated the entire State as a DDA under [Section 42\(d\)\(5\)\(B\)\(v\)](#) of the Code because of the high cost of developing housing, the low median income, and the high annual operating costs for housing relative to other states;

3. To determine the amount of Credit, MaineHousing will use the lesser of (a) the market rent, based on the Application market study as approved by MaineHousing, and (b) the maximum Credit rent. For three or more bedroom units MaineHousing will use the maximum Credit rent for two-bedroom units plus \$50.00;
4. The amount of Credit allocated for a Project will not exceed the least of
 - a) the amount the Project is eligible to receive under [Section 42](#) of the Code,
 - b) the amount MaineHousing determines is necessary for financial feasibility and viability throughout the Credit Period, and
 - c) the Maximum Credit Amount;
5. The Applicant must submit financial and all other required information. MaineHousing will evaluate the need for Credit based on
 - a) all sources of financing, including the terms and conditions,
 - b) equity expected to be generated by reason of tax benefits, and
 - c) the uses of funds, including the reasonableness of development costs and operating expenditures; and
6. In order to determine the amount of Credit, MaineHousing must identify a gap between development sources and uses absent a Credit allocation. MaineHousing may limit recognition of Intermediary Costs, re-characterize Project sources and uses and make reasonable assumptions with respect to projected revenues and expenses. MaineHousing will also take into consideration any federal limitations when combining the Credit with other federal assistance (i.e. “subsidy layering” guidelines).

B. Developer Fee. Developer Fee will be determined as follows:

1. Maximum Developer Fee. The total Developer Fee may not exceed the sum of 15% of the Housing Development Costs, plus 10% of the costs of acquisition of land, existing buildings and equipment, determined without regard to the Developer Fee.
2. Net Developer Fee. The amount of Developer Fee not deferred may not exceed \$750,000 plus any unused construction contingency returned to the Applicant after completion.
3. Additional Developer Fee. An Applicant is eligible for Developer Fee in excess of the Net Developer Fee calculated above only if it is deferred and used to increase the tax credit basis.

C. General Contractor Intermediary Costs. The general contractor’s Intermediary Costs must be

1. separated from other construction and rehabilitation costs,

2. with general conditions and overhead and profit parsed out, and
 3. no more than 14% of the Total Construction Cost, within the following ranges:
 - a) General conditions up to 6% of Total Construction Cost, and
 - b) Overhead and profit up to 8% of Total Construction Cost
- D. Time of Credit Determination. MaineHousing will determine the amount of Credit at the time of
1. Application, which will be evidenced by the Notice to Proceed;
 2. the allocation of Credit, including any carryover allocation;
 3. the date each Qualified Building is Placed in Service; and
 4. if a Qualified Building is allocated Credit pursuant to Section 9, the date of issuance of the tax-exempt bonds.
- Prior to each determination, the Applicant must certify the full amounts of all funding sources and provide any other information required by MaineHousing.
- E. Binding Agreement; Rate Lock. The Applicable Percentage for each Qualified Building will be based on the Placed in Service month unless the Applicant elects an earlier option.
- F. Market Study. The applicant must submit a comprehensive market study prepared by a qualified professional in accordance with the *National Council of Housing Market Analysis Model Standards for Market Studies for Rental Housing*. MaineHousing may require the Applicant to either correct any inadequacies it identifies or submit a new market study. MaineHousing also may elect to commission its own market study.
- G. Construction Cost Increases. MaineHousing may allocate additional Credit to a Project if its construction costs increase after the Application date and the increase is the result of market conditions or other circumstances beyond the Applicant's control. Any additional Credit will not exceed an amount necessary to generate equity equal to 5% of the Total Construction Cost based on construction bids.

SECTION 8: ALLOCATION OF CREDIT

- A. Allocation. MaineHousing will issue one or more IRS Form(s) 8609 after receipt of the following:
1. A complete request for allocation of Credit in a form prescribed by MaineHousing.

2. An audit report on the schedule of project costs prepared by an independent, third party certified public accountant including all associated costs (such as commissions, due diligence, legal, accounting, reserves, and other similar items).
3. Certification of the Project's sources, including all federal, state and local subsidies in any stage of commitment. This certification must include income, operating and development cost projections and methods for satisfying any deficits.
4. The allocation fee and monitoring fee less the amount of any allocation fee paid in connection with the issuance of a carryover allocation.

B. Carryover Allocation.

1. The Applicant must submit the following to receive a carryover allocation:
 - a) A complete request for carryover allocation in the form prescribed by MaineHousing no later than the first day of December of the year in which the carryover allocation is made.
 - b) Certification of the Project's sources, including all federal, state and local funding. This certification must include income, operating and development cost projections and methods for satisfying any deficits.
 - c) Development progress report, including completion likelihood.
2. The applicant must execute a carryover allocation and return it to MaineHousing, together with the allocation fee, no later than December 31 of the year in which the carryover allocation is made.
3. A carryover allocation will be subject to the following conditions:
 - a) satisfactory evidence that more than 10% of the Project's reasonably expected basis is incurred within 12 months of the carryover allocation, including an audit report prepared by an independent, certified public accountant; and
 - b) any performance conditions MaineHousing may require.

Failure to comply with these conditions may result in termination of the carryover allocation.

- C. Tax Credit Compliance Experience. Prior to an allocation the Applicant must demonstrate that the entity managing the Project has sufficient Credit compliance experience and training. The entity must complete a Credit compliance training or receive a certification from a MaineHousing-approved trainer.

- D. Extended Use Agreement. Prior to an allocation of Credit, the Owner must enter into an Extended Use Agreement with MaineHousing obligating the Owner to comply with [Section 42](#) of the Code, the threshold requirements in Section 5, and commitments for which the Application was awarded points. The Extended Use Agreement must be recorded in the appropriate registry of deeds prior to all mortgage liens and encumbrances on the Project and before MaineHousing issues any IRS Form 8609 for the Project.
- E. Converting a Carryover Allocation. MaineHousing may convert a carryover allocation to the year in which it is terminated or the following year if there are extenuating circumstances beyond the Applicant's control. The carryover allocation must be rescinded by the mutual consent of MaineHousing and the Applicant. There can be no change in the design or financing that would render the Application withdrawn under Section 4.I. The Project will be subject to the QAP in effect at the time of the original allocation.
- F. Forward Allocation of Credit. MaineHousing may issue a binding commitment to allocate State Ceiling available in the subsequent year upon determining that the amount of Credit in the current year's State Ceiling is insufficient.

SECTION 9: TAX-EXEMPT BOND FINANCED PROJECTS

Projects financed with tax-exempt bond proceeds must satisfy all QAP requirements except

- A. the Maximum Credit Amount limitation in Section 3.C.,
- B. the application limits in Section 4.B.1.,
- C. the application deadlines in Section 4.B.2.,
- D. the selection process described in Sections 4.F.,
- E. the affordability threshold requirement set forth in Section 5.A.,
- F. the requirement of a minimum \$50,000 per unit of Rehabilitation Costs for Projects involving the acquisition and rehabilitation of existing housing in Section 5.D.2.,
- G. the scoring criteria in Section 6, and
- H. the Developer Fee limits in Section 7.B.

SECTION 10: MONITORING

- A. Compliance with Applicable Laws. Owners must comply with all local, state and federal laws and regulations, including without limitation

1. [Section 42](#) of the Code and associated regulations and guidance,

2. UPCS and all other local, state and federal health, safety and building codes applicable to the Project;
 3. the [Federal Fair Housing Act, Title VIII of the Civil Rights Act of 1968](#), as amended by the Fair Housing Amendments Act of 1988 ([42 U.S.C. § 3601 et seq.](#)), Title II of the Americans with Disabilities Act of 1990 ([42 U.S.C. § 12101 et seq.](#)), and the Maine Human Rights Act ([5 M.R.S.A., Chapter 337, Subchapter IV](#)) and all other applicable federal, state and local fair housing and accessibility requirements, and the regulations, guidance and standards associated with all of the foregoing; and
 4. Title VI of the Violence Against Women Reauthorization Act of 2013, [42 USC Chapter 136, Subchapter III, Part M](#), and all associated regulations and guidance, as may be amended (VAWA).
- B. Recordkeeping and Record Retention. Each Owner must keep on file and available to MaineHousing upon request the following records for each Qualified Building in its LIHTC Project(s) for each year in the Extended Use Period:
1. The total number of residential rental units including the number of bedrooms and the square footage of each unit;
 2. The number of low-income units;
 3. The rent charged for each unit including any utility allowances;
 4. The number of occupants in each low-income unit;
 5. The number of low-income unit vacancies and information showing when, and to whom, the next available units were rented;
 6. Income certification and third-party documentation verifying the income of each household occupying a Credit Unit at the time of initial occupancy and for each new person added to the household after initial occupancy;
 7. Annual income certifications and third-party documentation verifying the income of each household occupying a Credit Unit in a LIHTC Project are required if not all of the units in the LIHTC Project are Credit Units, or the LIHTC Project is financed or assisted under a state or federal program that requires annual certifications.

For a LIHTC Project with 100% Credit Units that are subject to more than one income limit, annual income certifications are only required for the households occupying the Credit Units subject to the lower income limits. The annual certification may be a self-certification, except that third-party documentation verifying the income of the

household is required every 6 years from the date the LIHTC Project is Placed in Service and otherwise upon request by MaineHousing. The self-certification must be

- a) in writing,
- b) include the size of the household and annual household income,
- c) state that the information is complete and accurate,
- d) indicate that third-party source documentation will be provided if requested by the Owner or MaineHousing, and
- e) witnessed.

Annual income certifications are not required for a LIHTC Project with 100% Credit Units subject to the same income limit.

8. The Eligible Basis and Qualified Basis of each Qualified Building at the end of the first year of the Credit Period;
9. The character and use of the nonresidential portion of a Qualified Building included in its Eligible Basis;
10. A determination of the student status of the resident household;
11. The tenant occupancy policies and procedures and lease. The lease form and content must be acceptable to MaineHousing and comply with all applicable federal, state and local laws (including VAWA); and
12. All other disclosures to tenants, certifications and other records required by applicable local, state and federal laws.

Owners must maintain these records throughout the Extended Use Period for at least 6 years after the due date (with extensions) for filing the federal income tax return for that year, except that the records for the Credit Period's first year must be retained at least 6 years beyond the due date (with extensions) for filing the federal income tax return for the last year of the Compliance Period.

C. Annual Reports. Each Owner must submit the following to MaineHousing by March 1st of each year throughout the Extended Use Period:

1. Certification for the prior calendar year that the Owner's LIHTC Project(s) comply with IRS Treasury Regulation § 1.42-5(c)(1) and *MaineHousing's Low Income Housing Tax Credit Program Owner's Certificate of Continuing Program Compliance* attached hereto as **Appendix D**.

A completed and executed IRS Form 8609 for each Qualified Building must be submitted with the first certification; and

2. Certain information and data about the tenants in Credit Units for the prior calendar year, including household income; monthly rental payments; family composition; use of Section 8 rental assistance and other similar assistance; the race, ethnicity, age and disability status of the members of the households; and all other occupancy information required by MaineHousing.
- D. Review. For new LIHTC Projects, MaineHousing will complete a review of tenant records within two (2) years following the year the last Qualified Building is Placed in Service. MaineHousing will give owners reasonable prior written notice of a review. To the extent required by the Internal Revenue Service (IRS), MaineHousing will inspect low income certifications and tenant records in accordance with IRS Treasury Regulation § 1.42 5(c)(2)(iii)(A) through (D) and § 1.42 5(d) and will give no more than 15 calendar days prior notice.
- E. Inspections. Every one to three years after a Project is Placed in Service, MaineHousing will inspect LIHTC Projects. For new LIHTC Projects, MaineHousing will inspect Credit Units by the end of the second calendar year following the year the last Qualified Building is Placed in Service. MaineHousing will give reasonable prior written notice. To the extent required by the Internal Revenue Service, MaineHousing will inspect the LIHTC Projects in accordance with IRS Treasury Regulation § 1.42 5(c)(2)(iii)(A) through (D) and § 1.42 5(d) and will give no more than 15 calendar days prior notice.
- F. Notification of Noncompliance. MaineHousing will notify an Owner in writing of any failure to
1. submit any complete certifications or information required by MaineHousing when due,
 2. allow MaineHousing to perform any review or inspection required under this Section, or
 3. comply with [Section 42](#) of the Code or any others requirements under this QAP.

The Owner will have a reasonable period of time to correct the noncompliance identified in the notice. MaineHousing will file a Form 8823, “Low-Income Housing Credit Agencies Report of Noncompliance” with the Internal Revenue Service within 45 calendar days of the end of the correction period.

SECTION 11: GENERAL

- A. Conflicts. If this rule conflicts with [Section 42](#) of the Code or any other provision of federal or State law, the federal or State law shall control.

- B. Full Discretion. MaineHousing is entitled to the full discretion allowed by law in making all decisions and interpretations under this rule.
- C. Not an Entitlement. This rule establishes a pool of eligible Applicants but does not preclude additional reasonable criteria and does not confer any automatic right or entitlement to Credit on any person or entity eligible hereunder. MaineHousing may reject any and all Applications and may refuse to award any or all of the Credit.
- D. Final Agency Action. The director of MaineHousing, individually or by exercise of the delegation of powers contained in the Act, shall make all decisions and take all action necessary to implement this rule. Such action of the director shall constitute final agency action.
- E. Waiver. Upon a determination of good cause, the director of MaineHousing or the director's designee may, subject to statutory limitations, waive any provision of this rule. The waiver must be in writing and must be supported by documentation of the pertinent facts and grounds.
- F. Freedom of Access Act. MaineHousing is subject to the Freedom of Access Act, [1 M.R.S.A. §401 et seq.](#), which requires the disclosure of all information provided to MaineHousing that is not specifically excluded, such as confidential information under the Act. MaineHousing shall not be liable for the disclosure of any information that it determines must be disclosed under the Freedom of Access Act.
- G. Liability. Compliance with [Section 42](#) of the Code is the responsibility of the Owner. MaineHousing is in no way responsible for an Owner's compliance or liable for an Owner's noncompliance. Any allocation, review or inspection by MaineHousing and any determination made by MaineHousing pursuant to this QAP is for the sole benefit of MaineHousing. No liability or responsibility for Owner compliance with [Section 42](#) of the Code or other applicable requirements and no representation or warranty of a Project's feasibility or viability, eligibility for Credit, or compliance shall be implied or construed from any such actions and determinations by MaineHousing.
- H. Headings/Context. The headings in this rule are for convenience only and do not define or limit the scope of the provisions of this rule. The use of Section, Subsection or Appendix without a reference to another document or source refers to a section, subsection and Appendix of this rule.

PUBLIC COMMENT:

Process:

Notice of Agency Rule-making Proposal (MAPA-3) was submitted to the Secretary of State for publication in the May 6, 2020 edition of the appropriate newspapers. Additionally, MaineHousing sent the proposed rule to Interested Parties on May 6, 2020, and published the proposed rule on its website on May 6, 2020. MaineHousing held a public hearing on May 26, 2020. The comment period was held open until June 5, 2020 at 5:00 pm.

Summary of Comments and Responses to Comments:

Testimony and comments from Chris LaRoche, Executive Director of Westbrook Housing:

Section 6.N. Smart Growth scoring criterion.

Access to Public Transportation – increase “Safe Walking Distance” to designated transportation pick-up location from ½ mile to 1 mile.

Response: The distance of ½ mile to a designated pick-up location for public transportation is consistent with recent conversations with residents, property managers, developers, GrowSmart Maine and advocates for people with disabilities. Many of our residents are elderly and/or disabled and we believe 1 mile is more than they are willing or able to walk to access Public Transportation.

Proximity to Activities Important to Daily Living. Increase proximity to 3 Activities Important to Daily Living from ½ mile to 1 mile.

Response: As noted above, the ½ mile is consistent with recent conversations we have had with residents, property managers, developers, GrowSmart Maine and advocates for people with disabilities.

Clarify the definition of walkability in Appendix to include specific parameters regarding sidewalks and handicap access rather leaving it up to MaineHousing’s interpretation. Define the walking distance as a door to door, parking lot to parking lot, property line to property line instead of leaving it up to MaineHousing’s interpretation.

Response: With the changes in this QAP, the term “Safe Walking Distance” now only applies to pick-up locations for public transportation. We feel the existing definition, which has been in place and substantially the same since 2008, provides sufficient clarity to the intent of the QAP. Narrowing the applicability of this definition to only pick-up locations for public transportation should greatly reduce instances where interpretation is necessary.

In terms of beginning and ending points for measurement purposes, MaineHousing will defer to any commercially available mapping tool offered by the QAP applicant measured from property line to property line.

Section 11.D. currently reads “Final Agency Action. The director of MaineHousing, individually or by exercise of the delegation of powers contained in the Act, shall make all decisions and take all action necessary to implement this rule. Such action of the director shall constitute final agency action.”

Mr. LaRoche is requesting that the Board of Commissioners include language that decisions required to implement the rule be subject to a notice requiring 30 days of appeal to the Board of Commissioners, and that action of the Board of Commissioners, rather than MaineHousing’s Director, shall constitute final agency action, to ensure public transparency and avoid conflict of interest.

The QAP has been amended to allow each applicant to review and appeal a scoring decision prior to the completion of scoring. We believe this will allow concerns to be properly addressed before scores are finalized and awards made.

MaineHousing’s Board of Commissioners has delegated signing authority on behalf of MaineHousing to the Director via the agency’s Delegation of Authority. This signing authority includes Final Agency Action authorization. Before taking such action, the Director regularly consults with staff, and if necessary, the Chair of the Board of Commissioners.

FISCAL IMPACT OF THE RULE: The 2021 State of Maine ceiling of federal low-income housing tax credits is projected to raise approximately \$32,600,000 of private investor capital, and

the 2022 State of Maine ceiling of federal low-income housing tax credits is projected to raise approximately \$30,600,000 of private investor capital. The private investor capital generated by the federal low-income housing tax credits will be used to develop affordable housing for low-income persons. Additionally, it is estimated that 1,400 jobs a year will be created with this investment. The rule will not impose any costs on municipalities or counties for implementation or compliance.

EFFECTIVE DATE: JULY 12, 2020

APPENDIX A

Definitions

“Above Average” means an average overall score of 4 in the rating category - Physical plant inspections, Project Reports submissions, or Management and Occupancy Reviews. Physical plant inspections, and Management Occupancy Reviews are scored on the following scale: 1- Unsatisfactory, 2 – Below Average, 3 – Average, 4 – Above Average, and 5 – Superior. Project Reports submissions are scored as 5-Timely Submission and 1-Late Submission for each required submission report – Audited Financial Review (AFR), Budget, and Owner Certification of Continued Compliance.

“Act” means the Maine Housing Authorities Act, [30-A M.R.S.A. §4701 et seq.](#), as may be amended from time to time.

“Activities Important to Daily Living” means activities or destinations that are important to course of daily living of the population served by the Project, which include a grocery store, a public school only if the Project is housing for families, a daycare only if the Project is housing for families, a senior center only if the Project is Older Adult Housing, a pharmacy, a bank or credit union, a post office, a retail store, a general health care practitioner’s office, a public library, a location where people socialize, a hospital and other activities or destinations approved by MaineHousing. Convenience stores and gas stations are not eligible destinations for purposes of this subsection. If there is more than one activity or destination important to the course of daily living within a single establishment, each activity or destination will be counted separately (e.g. a retail store that also includes a pharmacy and a bank branch will be treated as 3 destinations important to the course of daily living).

“Adaptive Reuse” means the conversion of an existing non-housing building or structure to multi-family residential rental housing or the reconstruction of existing housing that has become functionally obsolete, as determined by MaineHousing.

“Affiliates” means any person or entity directly or indirectly controlling, controlled by, or under common control with another person or entity.

“Affordable Housing” means multi-family rental housing that has five or more units and is assisted under a HUD or Rural Development program or is subject to a restrictive covenant requiring units in the housing to be restricted to households with income at or below 60% of area median income, as determined by HUD.

duly authorized to conduct business in this State; and must be in good standing under the laws of this State and its state of formation, if not this State.

“Application” means an application to MaineHousing for an allocation of Credit.

“Below Market Capital” means the face value of a grant and the net present value of the savings produced by other funding with an effective rate that is less than the market rate. For this calculation, the market rate is the 10-year Treasury note rate 60 calendar days before the Application deadline plus 300 basis points. Such grants and funding must be committed to the Applicant for the Project no later than the Application deadline and do not include construction-period financing, donations or below market purchases of land and buildings, investor capital from tax credits, funding made possible by Tax Increment Financing, any Developer Fee that is loaned, deferred or foregone for the benefit of the Project, service funding, operating funds, rental assistance and any resources made available, either directly or indirectly, by MaineHousing.

“Capitalized Lease Value” means the net present value of all lease payments under a lease calculated over the term of the lease using the 10-year Treasury note rate 60 calendar days before the Application deadline plus 300 basis points.

“Code” means the Internal Revenue Code, Title 26 of the United States Code, and applicable regulations promulgated pursuant thereto, as may be amended.

“Community Revitalization Plan” means (1) a community that has been designated by HUD or RD as an Empowerment Zone, a Renewal Community or Enterprise Community, or a Neighborhood Revitalization Strategy Area; or (2) a written plan that was formally adopted by the governing body of a municipality no more than twelve (12) years prior to the Application deadline following a concerted planning process and public input, specifically targets a neighborhood or area in the community (not a single building or site or the entire municipality) for redevelopment or revitalization, and includes (a) an assessment of the existing physical structures and infrastructure of the area, (b) detailed policy goals with respect to economic redevelopment, the rehabilitation or development of housing (including multi-family rental housing) and the improvement or expansion of infrastructure, and (c) proposed activities and a timetable for implementing the policy goals. Plans for a single development and plans formulated by or on behalf of the Applicant are not Community Revitalization Plans.
