- VII. Effect of LIHEAP on SNAP and Impact to Subsidized Housing Tenants

I. New Passbook Savings Rate Published

As noted in an e-mail blast on November 14, 2014 – we want to remind you that HUD has published a new Passbook Savings Rate that becomes effective February 1, 2015. This change will affect tenants currently in the pipeline for recertification for February 1 or later. We have revised the Tenant Income Certification Form to reflect the new passbook rate for use in the certification process—it is attached for reference and can be found on our website at http://www.mainehousing.org/docs/default-source/property-mgmt/tenant-income-certification.pdf?sfvrsn=10.

II. RHIIP Listserv #323 – Housing Notice on Waiting List Administration Published

HUD Notice 2014-16 *Waiting List Administration* has been posted to HUDCLIPS and is attached for reference. This notice provides additional options for owners in their waiting list administration to further ensure fair housing compliance and provides guidance on the administration of waiting lists for Multifamily Housing properties. Topics include opening the waiting list, placing applicants on the waiting list, and outreach.

III. RHIIP Listserv #324 - Cost of Living Adjustment (COLA) for 2015

Monthly Social Security and Supplemental Security Income (SSI) benefits for nearly 64 million Americans will increase 1.7 percent in 2015.

The 1.7 percent cost-of-living adjustment (COLA) will begin with benefits that more than 58 million Social Security beneficiaries receive in January 2015. Increased payments to more than 8 million SSI beneficiaries will begin on December 31, 2014.

IV. MREMA announces a new Membership Grant Program

MREMA has grant money available to sponsor the first year's dues to the organization for owners and/or managers throughout Maine who are interested in joining the organization. The criteria for participation in the Program are outlined in the attached Program summary.

V. Personnel Changes within the Asset Management Department

With all the recent staff changes, Asset Management undertook an evaluation of the departmental structure and performed a needs analysis which resulted in a re-organization of the Department that will become effective January 1, 2015. The highlighted changes include:

- An additional Asset Manager position was added so we would have more resources to accommodate the
 needs of our partners. Andrew Altmaier from the Finance Department at MaineHousing has been hired
 for this position.
- Asset Manager, Jane Sturk has accepted a newly created role of Asset Management Portfolio Loan
 Originator which will focus on lending activity in the Department, including Subsequent loans and
 ownership transfers, to assist our partners/projects in the existing portfolio. This movement opened up an
 Asset Management position to replace Jane. Alison Dyer has been hired for this position. Alison came to
 us from the Housing Choice Voucher Department at MaineHousing and has worked with many of our
 multifamily properties that have Mod Rehab or Project-Based Voucher contracts.
- With the addition of the new Asset Managers, a portfolio realignment was completed. Asset Managers are in the process of preparing letters of introduction that will be sent to their respective Owner/Managers over the next several weeks.
- Kimberly Weed is assuming the Portfolio Manager position and oversight responsibility for the Asset Managers. In turn, the Inspections group will be reassigned from Kim to Bob's purview.
- Mary Young's vacated position of Financial Officer has been recast as Financial Contracts Officer and Karen Champagne who was working with Mary will transition over into the role. Cindy Wardwell will be moving over to Karen's current position which leaves a void in AFR/Budget reviews. This position is currently being advertised.

Also at this time, we are in the process of filling an Inspector position. We will let you know when both the Inspector and Financial Officer positions have been filled.

VI. TRACS 202D Conversion Deadline Approaching

The deadline for TRACS 202 conversion is coming up. If your software has been converted to TRACS 202 d format then you are all set. IF you have not, your software has to be converted by January 31, 2015. Please contact your software provider for assistance with this conversion.

VII. Effect of LIHEAP on SNAP and Impact to Subsidized Housing Tenants

The amount of SNAP benefit that a family receives is directly impacted by their eligibility for fuel assistance (LIHEAP). If a family can show it qualifies for LIHEAP, they can get a deduction known as the Standard Utility Allowance (SUA) which in turn increases the SNAP benefits they receive.

A recent change to the law now requires these families to prove their eligibility for LIHEAP every year when they apply for SNAP in order to receive the SUA deduction. In the past, they only had to do this once every five years.

The Maine LIHEAP program is proactively working to streamline the application process for SNAP clients who receive subsidized rental assistance by relying on the results of the rental income eligibility certifications as the basis to qualify them as income eligible for LIHEAP assistance.

A memo outlining the program, new law and required documentation for streamlining eligibility determinations is attached for reference.

Please note that MaineHousing provides notices as a service to our partners. Notices are not intended to replace ongoing training and do not encompass all compliance and regulatory changes that may occur on the wide arrange of housing programs in which we work. MaineHousing recommends partners establish an ongoing training program for their staff.

INSTRUCTIONS FOR COMPLETING THE HOUSING TAX CREDIT PROGRAM TENANT INCOME CERTIFICATION (ver. 5/12)

This form is to be completed by the owner or its authorized representative.

Part I - Development Data

Check the appropriate box for Initial Certification (move-in), Recertification (annual recertification), or Other. If Other, designate the purpose of the recertification (i.e., a unit transfer, a change in household composition, or other state-required recertification).

Move-in Date Enter the date the tenant has or will take occupancy of the unit.

Effective Date Enter the effective date of the certification. For move-in, this should

be the move-in date. For annual recertification, this effective date should be no later than one year from the effective date of the

previous (re)certification.

Hshold Income @ Move-in Enter the Gross Annual Household Income at move-in.

Hshold Size @Move-in Enter the number of family members at the time of move-in.

Current Hshold Size For recertifications, enter the current size of the household even if it

is the same as move-in.

1. Project Name Enter the name of the development

2. Building ID Enter the Building Identification Number (BIN) assigned to the

building (from IRS form 8609). Also enter the building address.

3. Unit # Enter the unit number.

4. # Bedrooms/SF Enter the number of bedrooms in the unit and the square footage of

the unit

5. County Enter the county in which the building is located.

Part II - Household Composition

List all occupants of the unit. State each household member's relationship to the head of household by using one of the following coded definitions:

H - Head of Household S - Spouse

A - Adult co-tenant O - Other family member
C - Child F - Foster child(ren)
L - Live-in caretaker N - None of the above

Indicate M for male and F for female. Enter the date of birth of each occupant and their student status. Also enter social security number or alien registration number.

If there are more than 7 occupants, use an additional sheet of paper to list the remaining household members and attach it to the certification.

Part III - Annual Income

See HUD Handbook 4350.4 for complete instructions on verifying and calculating income, including acceptable forms of verification.

From the third party verification forms obtained from each income source, enter the gross amount anticipated to be received for the twelve months from the effective date of the (re)certification. Complete a separate line for each income-earning member. List the respective household member number from Part II.

Column (A)	Enter the annual amount of wages, salaries, tips, commissions, bonuses and other
	income from ampleyment: distributed profits and/or not income from a business

income from employment; distributed profits and/or net income from a business.

Column (B) Enter the annual amount of Social Security, Supplemental Security Income, pensions,

military retirement, etc.

Column (C) Enter the annual amount of income received from public assistance (i.e., TANF,

general assistance, disability, etc.).

Column (D) Enter the annual amount of alimony, child support, unemployment benefits or any

other income regularly received by the household.

Column (E) Add the totals from columns (A) through (D), above. Enter this amount.

Page 4 of 6

Part IV - Income from Assets

See HUD Handbook 4350.4 for complete instructions on verifying and calculating income from assets, including acceptable forms of verification.

From the third party verification forms obtained from each asset source, list the gross amount anticipated to be received during the twelve months from the effective date of the certification. List the respective household member number from Part II and complete a separate line for each member.

Column (F) List the type of asset (i.e., checking account, savings account, etc.)

Column (G) Enter C (for current, if the family currently owns or holds the asset), or I (for

imputed, if the family has disposed of the asset for less than fair market value within

two years of the effective date of (re)certification.

Column (H) Enter the cash value of the respective asset.

Column (I) Enter the anticipated annual income from the asset (i.e., savings account balance

multiplied by the annual interest rate).

TOTALS Add the total of Column (H) and Column (I), respectively.

If the total in Column (H) is greater than \$5,000 you must do an imputed calculation of asset income. Enter the Total Cash Value, multiply by .06% and enter the amount in (J), Imputed Income.

Column (K) Enter the greater of the total in Column (I), or (J).

Part V - Total Annual Household Income from all sources

Total Annual Household Income

etc.

Gross Rent for Unit Enter the total of Tenant Paid Rent plus Utility Allowance and other

non-optional charges.

Maximum Rent Limit for this unit

Enter the maximum allowable gross rent for the unit.

Unit Meets Rent Restriction at Check the appropriate rent restriction that the unit meets according

to what is required by the set-aside(s) for the project.

Part VII - Student Status

If all household members are full time* students, check "yes". If at least one household member is not a full time student, check "no".

If "yes" is checked, the appropriate exemption <u>must</u> be listed in the box to the right. If none of the exemptions apply, the household is ineligible to rent the unit.

*Full time is determined by the school the student attends.

Part VIII - Divesture of Assets

Applicants and tenants must declare whether an asset has been disposed of for less than fair market value at each certification and recertification. Assets greater than \$1,000 disposed of for less than fair market value during the two years preceding certification or recertification must be counted as an asset. If the tenant has indicated that assets have been disposed documentation and verification regarding the circumstances and amounts must obtained. If applicable the amounts must be included on Section IV.

PART IX - SUPPLEMENTAL INFORMATION

Complete this portion of the form at move-in and at recertification's (only if household composition has changed from the previous year's certification).

Tenant Demographic Profile Complete for each member of the household including minors. Use codes listed on

supplemental form for Race, Ethnicity, and Disability Status.

Resident/Applicant Initials All tenants who wish not to furnish supplemental information should initial this

section. Parent/Guardian may complete and initial for minor child(ren).

Signatures

After all verifications of income and/or assets have been received and calculated, each household member age 18 or older <u>must</u> sign and date the Tenant Income Certification. For move-in, it is recommended that the Tenant Income Certification be signed no earlier than 5 days prior to the effective date of the certification.

It is the responsibility of the owner or the owner's representative to sign and date this document immediately following execution by the resident(s).

The responsibility of documenting and determining eligibility (including completing and signing the Tenant Income Certification form) and ensuring such documentation is kept in the tenant file is extremely important and should be conducted by someone well trained in tax credit compliance.

These instructions should not be considered a complete guide on tax credit compliance. The responsibility for compliance with federal program regulations lies with the owner of the building(s) for which the credit is allowable.

ANNOUNCING: The Maine Real Estate Manager's Association (**MREMA**) Membership Grant Program

MREMA is pleased to announce that we have a grant program in place to sponsor the first year dues to our organization for owners and/or managers of multifamily properties throughout Maine. Energy & Housing Services Department Memorandum

To: Public Housing Authorities, Housing Providers, Property Managers, and USDA Offices

cc: Community Action Agencies (CAAs)

From: Kathy Kinch, Program Operations Manager

Date: December 11, 2014

Subject: LIHEAP – Documentation Required for Subsidized Housing Tenants

The intent of this memo is to inform our housing partners about changes in the federal Farm Bill impacting subsidized housing tenants. We hope this information helps to clarify the following:

- Background on the connection between Low Income Home Energy Assistance Program (LIHEAP) and Supplemental Nutrition Assistance Program (SNAP) benefits – i.e. Heat and Eat
- Federal law changes and the potential impact on SNAP benefits.
- Housing related documentation required to determine LIHEAP eligibility of subsidized housing tenants.

Background:

The following provides some context for the connection between LIHEAP and SNAP benefits. A portion of this is an excerpt from an article published by the National Consumer Law Center (June 2014).

"Heat and Eat" is a term used to describe a streamlining practice that some states use to determine SNAP benefit levels for eligible households. In calculating a household's monthly SNAP benefits, certain deductions from income are allowed, including the (SNAP) Standard Utility Allowance (SUA). A household may receive a higher SNAP benefit if they qualify for more deductions.

Under previous law, Maine households who did not have direct heating costs could qualify for the (SNAP) SUA, which in turn resulted in a higher SNAP benefit, if one of the following was true:

- Household indicated to DHHS that they intended to apply for LIHEAP; or
- Household received any amount of LIHEAP benefit. Tenants residing in subsidized units with heat included only needed to apply for LIHEAP once every five years.

Changes to "Heat and Eat" in the Agriculture Act of 2014 – Section 4006 of Title IV in the Agriculture Act of 2014, commonly known as the Farm Bill of 2014, provides that LIHEAP payments of \$20 per year or less no longer entitle a household to automatically qualify for the SUA. This means that families receiving \$20 or less in LIHEAP assistance will not qualify for "Heat and Eat". These changes took effect in March 2014 for new SNAP applicants. For current SNAP

recipients, the law states that the change will take effect when they reapply for benefits at the end of their current (SNAP) certification period.

Impact on Maine Clients:

This change affects thousands of Maine households who now find themselves in a position of having to apply for LIHEAP annually instead of once every five years. In order to minimize the impact to these households and make the process more efficient, MaineHousing has streamlined the application process so that with adequate documentation/support, these households can be certified as LIHEAP eligible based on the fact that they have been deemed income eligible for rental assistance as determined through the annual income certification process. To adequately support this, as part of the LIHEAP application/certification process, applicants who reside in subsidized housing (defined as rent restricted units or units receiving rental assistance through HUD Section 8 or Rural Development Rental Assistance subsidy) must provide documentation, as prescribed by MaineHousing, to substantiate the following:

- a. Landlord's or housing agent's name and telephone number
- b. Physical address of the property
- c. Tenant rent amount
- d. Effective date of lease or annual verification/recertification
- e. Names of all persons living in the residence.
- f. Tenant's responsibility for utilities amount paid by tenant.

The following outlines LIHEAP eligibility and the documentation requirements by housing type. The documentation listed below will be acceptable provided it fully addresses (a) thru (f) above.

It is important to note that LIHEAP eligibility is based on the information submitted by the Primary Applicant as of the **Date of Application**. Therefore, the **documentation submitted should represent what was effective on the (LIHEAP) date of application**.

Subsidized with heat included tenants

MaineHousing has increased LIHEAP payments to \$21 per year to comply with the new law and ensure clients maintain eligibility for "Heat and Eat".

Tenants living in subsidized housing with heat included may be eligible for a \$21 LIHEAP benefit provided they pay a portion of their rent or utility costs.

Receipt of a \$21 LIHEAP benefit entitles the client to the SNAP Standard Utility Allowance (SUA) provided the benefit was paid within the twelve (12) months preceding their SNAP application or recertification date.

If the subsidy pays 100% of the rent and utility costs, the tenant does not have a direct or indirect heating cost; and therefore, would not be eligible for LIHEAP.

Documentation: applicant/tenant must provide **one of the following** when applying for LIHEAP:

- a. Recertification worksheet/summary or Rent Calculation sheet signed by property manager or subsidy housing specialist; **or**
- b. Valid lease agreement; or
- c. Recertification form (HUD 50058/59 or RD 3560-8).

Subsidized housing tenants who are responsible for paying all or a portion of their heating costs

Tenants living in subsidized housing who are responsible for their own heat may be eligible for a regular LIHEAP benefit that is greater than \$21/year. The LIHEAP benefit amount is based on the tenant's estimated home heating cost minus any subsidy received, or included in the rent reduction calculations, to assist the tenant with home heating costs. Since the tenant has a direct heating cost, their eligibility for the SUA is NOT contingent on receiving a LIHEAP benefit.

Documentation: applicant/tenant must provide one of the following when applying for LIHEAP:

- a. Recertification worksheet/summary or Rent Calculation sheet signed by property manager or subsidy housing specialist **and** Home Energy Assistance Subsidized Housing Form; **or**
- b. Valid lease agreement and Home Energy Assistance Subsidized Housing Form; or
- c. Recertification form (HUD 50058/59 or RD 3560-8) **and** Home Energy Assistance Program Subsidized Housing Form.

We acknowledge it has been a difficult, confusing, and administratively burdensome transition for all involved, including clients and our partners. MaineHousing will continue looking for ways to simplify the documentation requirements and still be in compliance with the federal requirements.

If you have questions, concerns, or suggestions, please email me at kkinch@mainehousing.org or call 207-626-4689.

We appreciate your efforts to support and assist our mutual clients with the changes to the Heat and Eat program.
