TABLE OF CONTENTS

TABLE OF CONTENTS	1
SECTION 1: INTRODUCTION	5
SECTION 2: DEFINITIONS	5
SECTION 3: VENDOR ENROLLMENT	7
A. Participating Vendors	7
B. New Vendor Requirements	7
1. New Vendor Enrollment.....	7
2. Denials.....	8
SECTION 4: VENDOR AGREEMENT	9
A. Oil, Kerosene, LP Gas, Wood Pellets, Corn, Bio-Bricks, and Coal Vendors	9
B. Electricity, Natural Gas, and Wood Vendors	9
C. Vendor Changes	9
D. Completing the Vendor Agreement	9
SECTION 5: TANF SUPPLEMENTAL BENEFITS	10
A. Benefit Determination.....	10
B. Payment of Benefits.....	10
1. Oil, Kerosene and Propane	10
2. Wood Pellets, Corn, Bio-Bricks, and Coal.....	10
3. Electricity and Natural Gas	10
C. Additional Information	11
SECTION 6: USE OF BENEFITS	11
A. Home Energy Type.....	11
B. Applying Benefits Retroactively.....	12
C. Order of Priority for Using Benefit Funds.....	12
D. Pre-buy and Approved Budget Programs	12
E. Eligible Household Changes	13
F. Deliveries.....	13
G. Incidental Costs	13
H. Benefit Availability	13
I. Benefit Restrictions	14
SECTION 7: VENDOR PRICING	14
A. Maximum Delivery Price.....	14
B. Price Protection Plans.....	14
SECTION 8: PAYMENTS	15
A. Form of Payment	15
B. HEAP Payment.....	15
C. Prior Program Year Benefits	15

D.	HEAP Supplemental Benefits	16
E.	TANF Supplemental Benefit Payments.....	16
F.	Watch List	16
SECTION 9: BENEFIT RETURNS		17
A.	Expired Benefits/Sweeping Accounts	18
B.	Client Funds vs. HEAP Funds.....	19
SECTION 10: ENERGY CRISIS INTERVENTION PROGRAM (ECIP)		20
A.	Purpose	20
B.	Electricity/Natural Gas only	20
C.	Household Eligibility	20
D.	Verifying Eligibility	20
E.	Purchase Order Amount.....	21
F.	Upfronts	21
G.	Allowable Uses	21
H.	Time of Deliveries.....	22
	1. Energy Crisis.....	22
	2. Life Threatening Crisis.....	22
I.	Delivery Authorization.....	22

APPENDIX C: ANNUAL CONSUMPTION REPORT (ACR) INSTRUCTIONS.....	41
APPENDIX D: ANNUAL CONSUMPTION REPORT (ACR) INSTRUCTIONS (Electricity & Natural Gas).....	44
APPENDIX E: HOUSEHOLD ENERGY COST REPORT (HECR) INSTRUCTIONS .	46
APPENDIX F: TANF SUPPLEMENTAL BENEFITS	48

SECTION 1: INTRODUCTION

The Low Income Home Energy Assistance Program (referred to in Maine as the Home Energy Assistance Program- HEAP) grant is a federally funded block grant offered through the U.S. Department of Health and Human Services (HHS). The HEAP grant provides funding to individual states to assist low-income families with the high cost of their home energy. The grant is administered by the Maine State Housing Authority (MaineHousing).

Community Action Agencies (CAAs) are under contract with MaineHousing as the local agencies administering the Home Energy Assistance Program. A complete list of local service providers can be found in Appendix A- Community Action Agencies. Applications are accepted in person or through a telephone/mail process. CAAs are responsible for determining Applicant eligibility and for promptly responding to heating-related crises affecting Eligible Households.

The HEAP Rule – Chapter 24, State of Maine HEAP State Plan, and Vendor Agreement define the requirements, which must be met to ensure compliance and funding. The Vendor Handbook is designed to provide a resource and guide for Vendors, and is to be used in conjunction with the Home Energy Assistance Program Rule – Chapter 24 and the Vendor Agreement. Documents and forms for administering the program can be found on-line at www.mainehousing.org.

MaineHousing is available to assist in clarification of any issues that are not specifically addressed in the Handbook or Vendor Agreement. A list of MaineHousing contacts can be found in Appendix B – MaineHousing HEAP Program Staff.

SECTION 2: DEFINITIONS

Capitalized terms not otherwise defined in this Handbook have the same meaning as set forth in the Vendor Agreement and Rule. As used in this Handbook, the terms listed have the following meanings:

- (1) “Annual Consumption Report” means the annual report Vendors must submit to MaineHousing to report their HEAP customers’ Home Energy deliveries from May 1st through April 30th.
- (2) “Benefit” means the dollar amount of HEAP assistance or TANF Supplemental Benefit assistance, or both, an Eligible Household receives.
- (3) “Benefit Return Form” means the form prescribed or accepted by MaineHousing that requests the return of all or some part of a payment made to the Vendor.
- (4) “CAA” means a community action agency selected by MaineHousing to administer the HEAP.
- (5) “Close-out” means the reconciliation of receipts and use of all Fuel Assistance, TANF Supplemental Benefits, and ECIP funds by Vendor. It is Vendor’s responsibility to keep this information by Eligible Household and provide it to MaineHousing upon request.
- (6) “Credit Notification Report” means the document sent to the Vendor guaranteeing payment post-delivery to Household eligible for Supplemental Benefits funded by TANF. The Credit Notification Report lists each Primary Applicant’s name, address, Supplemental Benefit amount, Home Energy type, and account information.
- (7) “ECIP” means the Energy Crisis Intervention Program component of HEAP.

- (8) “Energy Crisis” shall have the same meaning as set forth in 42 U.S.C.A. §8622(3), as same may be amended from time to time. The term "energy crisis" means weather-related and supply shortage emergencies and other household energy-related emergencies.
- (9) “HEAP” means Home Energy Assistance Program.
- (10) “Heating Season” means the period of time beginning October 1st to April 30th.
- (11) “Heating Source” means any device used to provide heat to a Dwelling Unit.
- (12) “Heating System” means a permanently installed system that is used to heat the Dwelling Unit. A portable space heater is not considered to be a Heating System.
- (13) “Home Energy” means a source of heating in a Dwelling Unit or a Rental Unit (each as defined in the Rule).
- (14) “Life Threatening Crisis” means the household is currently without heat or utility service to operate a Heating Source or a Heating System.
- (15) “Primary Heating System” means the Heating System which provides the majority of heat to the Applicant’s dwelling.
- (16) “Program Year” means the period of time beginning October 1 and ending September 30.
- (17) “Purchase Order” means the document issued by MaineHousing or CAA, as the case may be, that authorizes the Vendor to deliver Home Energy to an Eligible Household under ECIP. At a minimum the Purchase Order shall identify the Eligible Household, the delivery address, the type of ECIP benefit to be delivered to the Eligible Household, the required delivery timeframe, and the amount of ECIP benefit spent on the Eligible Household or credited to its customer account.
- (18) “Records” means any of the Vendor's books, documents, purchase orders, price quotes, invoices, contracts, payroll reports, financial statements, papers or things that are necessary or desirable for the procurement or delivery of Home Energy or other services authorized under HEAP, TANF Supplemental Benefit or ECIP, whether in paper, electronic, magnetic or any other form.
- (19) “Retail Cash Price” means the posted amount Vendor charges for Home Energy per gallon.
- (20) “Rule” means the Home Energy Assistance Program Rule, Chapter 24 of the Rules of the Maine State Housing Authority, and any rule that may be adopted by MaineHousing concerning TANF Supplemental Benefits
- (21) “TANF” means payments under the Temporary Assistance for Needy Families program as defined in 22 M.R.S.A., Chapter 1053-B, § 3762 et seq, as may be amended from time to time.
- (22) “TANF Supplemental Benefits” means the benefits that are funded with TANF funds pursuant to 22 M.R.S.A., Chapter 1053-B, § 3769-E.
- (23) “Vendor” means an energy supplier that has entered into a Vendor Agreement with MaineHousing to provide Home Energy to Eligible Households.
- (24) “Vendor Voucher Report” means the document issued by MaineHousing or CAA, as the case may be, that authorizes the Vendor to deliver Home Energy to an Eligible Household under HEAP. At a minimum, the Vendor Voucher Report shall identify the Eligible Household, the type of Home

Energy to be delivered to the Eligible Household, and the amount of the HEAP benefit to be credited to the Eligible Household's customer account with the Vendor.

- (25) "Watch List" means the MaineHousing list of Vendors that will not receive payment in advance for Eligible Households' HEAP benefits. In the event MaineHousing determines, in its sole judgment, based on Vendor's actions or omissions or other information obtained by MaineHousing directly or from any third party, that such actions, omissions or other information raise issues concerning Vendor's continued ability to make Home Energy deliveries or otherwise comply with the terms of this Agreement, or that Vendor's performance is out of compliance with the requirements of the Vendor Agreement, MaineHousing may, in its sole discretion, place Vendor on this list.

SECTION 3: VENDOR ENROLLMENT

A. Participating Vendors

1. Participating Vendors may reenroll during the time period prescribed by MaineHousing. Continued participation is contingent upon performance and compliance with the terms of the Vendor Agreement.
2. Vendors who choose to discontinue their HEAP participation must notify MaineHousing and should be prepared to complete the Close-out audit process.
3. Failure to fully complete and execute a new Vendor Agreement as prescribed by MaineHousing may result in termination. In such cases, MaineHousing would perform a Close-out audit and the vendor would no longer be authorized to receive or use HEAP funds for Home Energy deliveries.

B. New Vendor Requirements

The following guidelines and requirements pertain to vendors who are interested in becoming a HEAP Vendor. These requirements may also apply to a vendor who had a prior Vendor Agreement with MaineHousing that has subsequently expired.

1. New Vendor Enrollment

- a. New vendors are encouraged to enroll before the Heating Season begins. However, MaineHousing will consider new enrollment requests later in the Heating Season. Participation in the current Program Year is contingent upon the submission of accurate and complete documentation.
- b. The following enrollment process and requirements pertain to vendors who are interested in becoming a HEAP Vendor. These requirements may also apply to a vendor who had a prior Vendor Agreement with MaineHousing that has subsequently expired.
 - i. The vendor must have been in business for a minimum of one (1) year.
 - ii. Complete a telephonic questionnaire with MaineHousing to determine if vendor meets basic requirements.
 - iii. Provided the vendor/company meets basic requirements, MaineHousing will send a preliminary letter of application. If the vendor/company does not meet basic requirements, MaineHousing will inform them verbally that they

will not be considered for program participation until basic requirements can be met. If the vendor wishes to pursue enrollment, they must submit the following for MaineHousing's consideration:

- (1) Credit report.
 - (2) Business plan to demonstrate the stability of its business.
- iv. With receipt of the credit report and business plan, MaineHousing accesses and reviews public records on the company, and its owners/officers. If approved, MaineHousing will send a copy of the Vendor Agreement to be completed and signed by the vendor.
 - v. Upon receipt of the signed and completed Vendor Agreement, MaineHousing will fully execute the Vendor Agreement authorizing the Vendor to provide Home Energy deliveries to HEAP customers.
 - vi. MaineHousing will notify CAAs of the Vendor's participation and the Vendor will be listed on MaineHousing's website as a participating Vendor.

2. Denials

If the New Vendor Enrollment Request is denied, MaineHousing will notify the vendor, in writing, of the reason for the denial. MaineHousing may exclude or not allow a vendor to participate for any of the following reasons, not limited to:

- a. Any bankruptcies or judgments.
- b. Failure to submit the required information.
- c. Owners and/or officers were formerly owner/officer of a previously terminated Vendor.
- d. Failure to comply with Close-out requirements.

SECTION 4: VENDOR AGREEMENT

In order for a Vendor to deliver Home Energy to Eligible Households under the HEAP program, a vendor must have an executed Vendor Agreement with MaineHousing. The Vendor Agreement defines program requirements and responsibilities for providing Home Energy to Eligible Households.

A. Oil, Kerosene, LP Gas, Wood Pellets, Corn, Bio-Bricks, and Coal Vendors

A new Vendor Agreement must be completed and executed annually. The Vendor Agreement remains in effect for one (1) year or the term specified in Section 3 of Vendor Agreement, unless the Vendor Agreement is terminated by MaineHousing or the Vendor before the end of the term.

B. Electricity, Natural Gas, and Wood Vendors

Vendor Agreements are on-going. A new Agreement does not need to be executed annually, unless terminated by MaineHousing, upon a Chapter 24 Rule change, or termination by the Vendor.

C. Vendor Changes

Vendor must notify, in writing, MaineHousing of changes in the Vendor's company or business practices that may have any bearing on the terms of the Vendor Agreement. Examples of such changes include, but are not limited to:

1. Contact information.
2. Banking information.
3. Mailing address.
4. Physical address.
5. Products being sold.
6. Tax ID information.
7. Purchasing/opening another branch location.
8. Proposing to sell fuel delivery business or its fuel delivery assets.

D. Completing the Vendor Agreement

1. Before signing and submitting a Vendor Agreement to MaineHousing, please be sure to read the entire document and applicable contract instructions to ensure Vendor understands the requirements and responsibilities of being a contracted Vendor under the HEAP Program. Vendor will be responsible for and must comply with all aspects of the Vendor Agreement once it has been executed.
2. The Vendor Agreement must be fully executed by MaineHousing before the Vendor will be authorized to provide services to customers under HEAP.

SECTION 5: TANF SUPPLEMENTAL BENEFITS

- (1) Maine Department of Health and Human Services provides MaineHousing with TANF funding to supplement Fuel Assistance Benefits for HEAP-eligible Households with children.
- (2) Except as may be expressly provided for in this Handbook or the Vendor Agreement, the use and administration of TANF Supplemental Benefits are subject to the same standards for HEAP benefits set forth in this Handbook and the Vendor Agreement.

A. Benefit Determination

The TANF Supplemental Benefit per Eligible Household per Program Year shall be determined each Program Year by MaineHousing based on the projected number of Households eligible for TANF Supplemental Benefits and available funding.

B. Payment of Benefits

MaineHousing will issue TANF Supplemental Benefits/payments to Vendors as follows:

1. Oil, Kerosene and Propane

MaineHousing will make payment for a TANF Supplemental Benefit after the Vendor makes delivery as authorized by MaineHousing. Vendor must submit a delivery ticket to MaineHousing together with a detailed account history showing delivery and payment activity from the previous May 1 through the date of the delivery being invoiced. If the total amount on the delivery ticket is greater than the amount being billed to TANF Supplemental Benefit, the following must be notated and signed/dated on the delivery ticket:

- a. Dollar amount to be paid by TANF Supplemental Benefits
- b. Dollar amount to be paid by HEAP (if applicable)
- c. Dollar amount to be paid by client, another party or organization (if applicable)

2. Wood Pellets, Corn, Bio-Bricks, and Coal

MaineHousing will make payment for a TANF Supplemental Benefit after the Vendor makes delivery as authorized by MaineHousing. Vendor must submit an invoice together with a detailed account history showing delivery and payment activity from the previous May 1 through the date of the delivery/purchase being invoiced.

3. Electricity and Natural Gas

- a. MaineHousing will issue TANF Supplemental Benefits to Electricity and Natural Gas Vendors pre-delivery. All HEAP guidelines for use of Benefits apply to TANF Supplemental Benefits.
- b. For post-delivery payments, MaineHousing will make payment within ten (10) business days of MaineHousing's receipt and approval of the required documentation.

C. Additional Information

Appendix F provides answers to some of the frequently asked questions about TANF Supplemental Benefits. For additional information, please email MaineHousing at liheap@mainehousing.org

SECTION 6: USE OF BENEFITS

There are three (3) separate Vendor Agreements:

- (1) Oil, Kerosene, Propane, Wood Pellets, Corn, Bio-Bricks and Coal;
- (2) Wood; and
- (3) Electricity and Natural Gas.

A Vendor cannot deliver a given Home Energy type unless the Vendor has executed the appropriate Vendor Agreement with MaineHousing.

A. Home Energy Type

1. Benefits can **ONLY** be used for the approved Home Energy type listed on the Vendor Voucher Report, Credit Notification Report, or ECIP Purchase Order.
2. Unless otherwise authorized, in writing, by MaineHousing the Vendor will only deliver the Home Energy type stated on the Vendor Voucher Report, Credit Notification Report, or ECIP Purchase Order. If the Vendor delivers a Home Energy type other than what is stated on the Vendor Voucher Report, Credit Notification Report, or ECIP Purchase Order, the Vendor will not be allowed to use Benefits for those deliveries. If there is a question about the Home Energy type, please contact MaineHousing immediately for clarification. Any deviation from the approved Home Energy type listed on the Vendor Voucher Report, Credit Notification Report, or ECIP Purchase Order must be approved, in writing, by MaineHousing before delivery occurs.
3. If the Vendor Voucher Report, Credit Notification Report, or ECIP Purchase Order lists kerosene as the Home Energy type, the Vendor cannot deliver oil if any portion of the delivery will be paid by HEAP benefits, TANF Supplemental Benefits, or ECIP, unless the two products are delivered using separate metered delivery tickets as outlined in Section A.4 below.
4. Oil/Kerosene Tank Location: If an Eligible Household's tank is located outside or in an unheated space, the Home Energy type listed on the Vendor Voucher Report, Credit Notification Report, or ECIP Purchase Order must be kerosene. If the Vendor Voucher Report, Credit Notification Report, or ECIP Purchase Order indicates oil and the Vendor's records indicate the tank is located outside or in an unheated space, the Vendor must contact MaineHousing to resolve the discrepancy prior to delivery.
5. Winter blend is not an allowable Home Energy type if product is blended through the delivery hose. If winter blend is delivered by separate metered tickets for K-1 and #2 and blends only in the tank, the authorized Home Energy type portion can be paid by HEAP benefits, TANF Supplemental Benefits, or ECIP.

B. Applying Benefits Retroactively

1. If Vendor has delivered Home Energy to an Eligible Household on or after October 1st of the current Program Year and there is an outstanding balance for the delivery, Vendor may apply HEAP or TANF Supplemental Benefit funds received for the account of the Eligible Household to that Home Energy delivery.
2. A Vendor may **only** apply Benefits retroactively if the Vendor's recordkeeping system clearly documents, to MaineHousing's satisfaction, the transaction details associated with applying Benefits to **unpaid** deliveries made prior to the Vendor's receipt of the Benefit being applied.
3. Effective 07/12/2020, Benefits may not be applied to deliveries that have previously been paid.

Example of how to retroactively apply Benefits to an eligible <u>unpaid</u> delivery made on or after October 1 st .			
			Balance
09/01/2020	#2 Oil – 100 gallons @ \$2.499	\$249.90	\$249.90
09/01/2020	Client Payment Cash	(\$249.90)	\$0
10/28/2020	General Assistance - 100 gallons @ \$2.599	\$259.90	\$259.90
11/10/2020	Payment General Assistance	(\$259.90)	\$0
11/26/2020	#2 Oil – 100 gallons @ \$2.399	\$239.90	\$239.90
12/30/2020	HEAP benefit #2 approved fuel type	(\$500.00)	(\$260.10)
\$500.00 HEAP benefit <u>- \$239.90 HEAP funds applied to 11/26/2020 delivery that remained unpaid on the account</u> \$260.10 HEAP benefit remaining on account Note: Benefits cannot be applied to the 10/28/2020 delivery as it was previously paid for and did not result in an unpaid balance on the account.			

C. Order of Priority for Using Benefit Funds

An Eligible Household's HEAP benefit must be completely used up before any TANF Supplemental Benefits may be used to pay for Home Energy deliveries, if the Household was determined eligible for said Benefits in the same Program Year.

D. Pre-buy and Approved Budget Programs

Current Program Year HEAP benefits remaining after April 30th can be applied to pre-buy and approved budget programs for the following Heating Season. Vendors cannot use remaining HEAP funds to pay fees for downside protection or programs if the contract has a clause stating remaining funds will be forfeited at the end of the contract.

Prior Program Year HEAP benefits that were applied to a pre-buy or an approved budget program must be used by April 30th of the following Program Year. If not, any remaining balance must be returned to MaineHousing no later than June 30th.

E. Eligible Household Changes

If a Vendor becomes aware of changes, Vendor must contact MaineHousing before making the delivery. Examples include, but are not limited to: the HEAP customer listed on the Vendor Voucher Report or Credit Notification Report is deceased, the household is occupied by someone other than the original HEAP recipient, the home is vacant, or if the Vendor is aware no one is living in the home for an extended period of time (customer lives out of state during winter months). If these situations arise, the Vendor must contact MaineHousing immediately.

F. Deliveries

Vendor may deliver Home Energy to an Eligible Household equal to the entire HEAP benefit amount on account with Vendor or any remaining balance of TANF Supplemental Benefits guaranteed on the Credit Notification Report issued to the Vendor if the Eligible Household placed an order (even if the amount ordered is less than the full Benefit amount) or if the Eligible Household is on automatic delivery, unless:

- (1) Household advises the Vendor all Applicants are moving;
- (2) Household advises the Vendor that their Heating System has mechanical difficulties; or
- (3) Household's Home Energy storage tanks are either being replaced or do not meet code.

G. Incidental Costs

Benefits cannot be used for Incidental Cost such as surcharges, penalty charges, reconnection charges, cleaning and repair service charges, security deposits, delivery charges, hazmat fees, fuel recovery fees, and insurance. Such charges should be clearly identified in the customer's account records.

H. Benefit Availability

1. HEAP and TANF Supplemental Benefits are available for use during the Program Year of issue and up until April 30th of the Program Year immediately following. Vendors must review Eligible Household accounts and identify any remaining Benefits and/or credits that were issued in or prior to the preceding Program Year. All such unused Benefits must be returned to MaineHousing no later than June 30th. TANF Supplemental Benefit credits are void as of May 1st.
2. Vendors are required to track Benefits by Program Year and to return all expired HEAP funds to MaineHousing. The following outlines the dates Benefits are available for use and when they expire by Program Year.

Program Year	Delivery must occur between:	Cannot use on or after:
2020	Oct. 1, 2019 and Apr. 30, 2021	May 1, 2021
2021	Oct. 1, 2020 and Apr. 30, 2022	May 1, 2022
NOTE: Benefits for any Program Year prior to PY 2019 have expired and must be returned to MaineHousing.		

3. When HEAP benefits are issued in the form of a paper check, they may be for the prior Program Year. This may occur if a HEAP benefit is being reissued because an Eligible Household changed Vendors. It is important to notice the Program Year designated on the check stub so as to be able to comply with the aforementioned guidelines.

I. Benefit Restrictions

1. Vendor shall not retain, absorb, write off, reduce, eliminate, or zero out any Benefit funds or credit balance remaining in an Eligible Household's customer account, no matter how small such funds or credit balance may be, or take any other action intended to accomplish any of the preceding, including but not limited to (i) changing all or any part of the unit price of the Home Energy delivered to the Eligible Household, (ii) changing all or any part of the number of units of Home Energy delivered to the Eligible Household, (iii) transferring any Benefit funds or credit balance to another vendor, to the accounts of other Eligible Households that are customers of Vendor, or to any other party other than MaineHousing. Vendor shall return all unused Benefit funds and credit amounts to MaineHousing.
2. HEAP or TANF Supplemental Benefits may not be sold, released or transferred, whether with or without an exchange of money or anything else of value, by an Eligible Household or the Vendor without prior written authorization from MaineHousing. MaineHousing will authorize a transfer only when circumstances arise that prevent the Eligible Household from using the Benefit and MaineHousing determines such transfer is in the best interest of the Eligible Household and is consistent with the intent of the HEAP Act.

SECTION 7: VENDOR PRICING

A. Maximum Delivery Price

1. Vendor must charge an Eligible Household no more than the Retail Cash Price for the portion of Home Energy deliveries paid with HEAP, TANF Supplemental Benefits, or ECIP funds. Vendor may not consider an Eligible Household's outstanding indebtedness to Vendor in calculating the Retail Cash Price applicable to a delivery of Home Energy to that Eligible Household.
2. If a HEAP client is eligible for a discount (such as Senior, Veterans, etc.), the Vendor must give the client the discount on deliveries paid by HEAP benefits.

B. Price Protection Plans

1. Pricing and other terms and conditions of a Price Protection Plan offered to Eligible Households receiving HEAP benefits must be the same as those offered to all of Vendor's other customers taking deliveries of the Home Energy type specified in the Price Protection Plan, except that the HEAP benefit set forth in the Vendor Voucher Report for an Eligible Household and credited to the Eligible Household's customer account may not be forfeited or applied to any penalty, liquidated damages, or other charge or amount for any unused quantity of prepaid Home Energy. Vendor must provide to MaineHousing a copy of each type of Price Protection Plan that it offers to its customers in the form available to the Vendor's customers and the public (such as a brochure or flyer) no later than the date that Vendor executes the Vendor Agreement or the Vendor makes the Price Protection Plan available to the Vendor's customers and the public.
2. Definition. A written, binding agreement between Vendor and an Eligible Household under which the Eligible Household:

- a. has prepaid for Home Energy deliveries based on a fixed price per unit (prepaid fixed); or
- b. has prepaid for Home Energy deliveries that are guaranteed not to exceed a specified maximum price per unit but pays only the actual Retail Cash Price up to the specified maximum price (i.e. prepaid with downside protection), or
- c. makes payments under a budget plan based on a fixed price per unit (i.e. budget fixed); or makes payments under a budget plan based on estimated Home Energy deliveries, but pays no more than the Retail Cash Price if it is lower than the estimate on which the budget plan payments are based (i.e. budget with downside protection).

SECTION 8: PAYMENTS

A. Form of Payment

Vendors may choose to receive payments by check or ACH deposit.

B. HEAP Payment

1. MaineHousing issues payments weekly. ACH payments are typically deposited into Vendor's bank account on Friday of each week. A Vendor Voucher Report is mailed to any Vendor receiving payment(s) during the weekly HEAP payment cycle (regardless of the form of payment). A Vendor cannot deviate from the account information, physical address or Home Energy type listed on the Vendor Voucher Report without written consent from MaineHousing. If any of these criteria do not match the Vendor's records, the Vendor must not make the delivery and should contact MaineHousing immediately.
2. The Vendor Voucher Report will include the following:
 - a. Primary Applicant Name
 - b. Physical address
 - c. Phone number
 - d. Benefit amount
 - e. Home Energy type
 - f. Account information
1. Payment memo/check memo- allocation name and program year

C. Prior Program Year Benefits

1. **Effective for PY2021**, ACH Vendors will no longer receive prior year's benefits in the form of a paper check.
2. ACH Vendors will now receive ACH Deposits for all Program Years.

3. Vendor Voucher Reports will be issued separately for each Program Year. It is important for both ACH and check Vendors to notice the Program Year designated on the Payment Memo or Check Memo portion of the Vendor Voucher Report to ensure that Benefits are posted appropriately.

D. HEAP Supplemental Benefits

If MaineHousing receives supplemental HEAP funds, Supplemental Benefits will be issued in the same manner as regular HEAP payments. The Vendor will receive a Vendor Voucher Report listing the same information as above.

E. TANF Supplemental Benefit Payments

MaineHousing will pay to the Vendor the Benefit amount indicated in each Credit Notification Report issued by MaineHousing. MaineHousing will make payment for a TANF Supplemental Benefit after the Vendor makes delivery as authorized by MaineHousing. The Vendor must submit a delivery ticket and invoice, as applicable, to MaineHousing together with a detailed account history showing delivery activity and payment activity from the previous May 1 through the date of the delivery being invoiced. MaineHousing will make payment within ten (10) business days of MaineHousing's receipt and approval of the required documentation.

F. Watch List

1. If for any reason a Vendor's ability to administer the HEAP program is in question, MaineHousing reserves the right to place a Vendor on a Watch List. As long as a Vendor remains on the Watch List, the Vendor will not receive payment in advance for Eligible Households' Benefits. Vendor must submit satisfactory proof of delivery for MaineHousing's review/approval. MaineHousing will process payment for the delivery in the regular/weekly HEAP payment cycle provided the delivery complied with the terms of Vendor Agreement.
2. If a Vendor is placed on a Watch List, an audit will be conducted in accordance with the Vendor Agreement. At a minimum, the Vendor will remain on the Watch List pending action upon the auditor's recommendation. The following are potential actions that may take place as a result of the audit:
 - a. Maintaining Vendor's Watch List status.
 - b. Monitoring of the Vendor's performance.
 - c. Provide guidance or other assistance to the Vendor.
 - d. Implement additional recordkeeping and reporting requirements.
 - e. Requiring Vendor to turn over HEAP funds to MaineHousing.
 - f. Issuing a deficiency notice.

SECTION 9: BENEFIT RETURNS

1. A Benefit Return is the return of funds (to MaineHousing) for all or part of a payment made to the Vendor on behalf of a Household. Benefit Returns can be initiated by MaineHousing, the CAA or the Vendor.
2. If Vendor is returning funds without a request from MaineHousing or the CAA, the Vendor will need to complete and submit a Benefit Return Form to MaineHousing. The Benefit Return Form and instructions for completing and submitting the Benefit Returns can be found at: <http://www.mainehousing.org/partners/partner-type/community-agencies/heap-vendors>.
3. Any time a Vendor returns funds to MaineHousing, those funds must be accompanied by a Benefit Return Form and a detailed transaction report showing deliveries and payment activity from May 1st forward for the benefit year(s) being returned. Any unused HEAP or TANF Supplemental Benefit funds requested to be returned to MaineHousing must be returned within fifteen (15) calendar days from the date on the Benefit Return Form. TANF Supplemental Credit Notifications are automatically VOID for clients with forms marked 'All Remaining HEAP and/or TANF Supplemental Benefits'. Repeated disregard to the request for the return of Benefits may result in an audit, being placed on MaineHousing's Watch List, or termination of the Vendor Agreement.
4. Whenever there are questions regarding a request for a Benefit Return, contact MaineHousing or the CAA that issued the request.
5. The following are some reasons why Benefits would be returned:
 - a. Vendor becomes aware that the sole member of an Eligible Household has deceased.
 - b. Vendor receives a written request from the authorizing CAA or MaineHousing.
 - c. Vendor receives a Benefit Return Form filled out appropriately by the CAA or MaineHousing. The Benefit Return Form will notify the Vendor for whom the funds are requested, the amount of funds to be returned (if known), and the date by which they must be returned to MaineHousing.
 - d. The eligible household has not received deliveries of Home Energy or other services for twelve (12) or more consecutive months.
 - e. Benefits expired.
 - f. Upon written notice from the customer that they no longer desire to receive services from the Vendor.
 - g. Eligible Household moves out of Vendor's Service Area, either in state or out of state.
 - h. Vendor Agreement is terminated, either by the Vendor or MaineHousing.
6. Upon receipt of a Benefit Return Request, the Vendor will:
 - a. Reconcile and verify the amount of HEAP funds remaining on the Applicant's account. If the box indicating 'All remaining HEAP Benefits on account' is checked, please fill in the amount of funds you are returning.
 - b. Void TANF Supplemental Credit Notification for clients with forms marked 'All Remaining HEAP and/or TANF Supplemental Benefits'

- c. Attach a detailed transaction history of the Applicant’s account to the Benefit Return Form. The transaction history should be consistent with and support the amount being returned, and show all delivery and payment activity from the previous May 1 through the date of the return.
- d. Return funds, transaction history and HEAP Benefit Return Form to MaineHousing by the date indicated on the HEAP Benefit Return Form.
- e. If the Vendor’s reconciliation determines there are no remaining HEAP or TANF Supplemental funds on the account, the Vendor is still required to submit a detailed transaction history of the Applicant’s account and the Benefit Return Form with a notation indicating \$0.00 HEAP funds remaining.

A. Expired Benefits/Sweeping Accounts

- 1. Benefits are available for use during the Program Year of issue and up until April 30th of the Program Year immediately following. As part of the Annual Consumption Report process, Vendors must review Eligible Household accounts and identify any remaining Benefits that were issued in or prior to the preceding Program Year. All such unused Benefits must be returned to MaineHousing no later than June 30.
- 2. Vendors are required to track Benefits by Program Year and to return all expired HEAP funds to MaineHousing. The following outlines the dates Benefits are available for use and when they expire by Program Year.

Program Year	Delivery must occur between:	Cannot be used on or after:
2020	Oct. 1, 2019 and Apr. 30, 2021	May 1, 2021
2021	Oct. 1, 2020 and Apr. 30, 2022	May 1, 2022
Note: Benefits for any Program Year prior to PY 2019 have expired and must be returned to MaineHousing.		

- 3. Each Benefit returned must be accompanied by a:
 - a. Benefit Return Form. If returning funds for multiple Households, the Vendor may submit one document (instead of a separate Benefit Return Form for each Household) provided it includes the required information for each Household.
 - b. Detailed transaction report, regardless of the amount returned. For example, if the Vendor were to return only \$0.43 for a client this would still require a Benefit Return Form and a transaction report to go with it. The transaction history should show all delivery and payment activity from the previous May 1 through the date of the return.
- 4. If situations arise that warrant a Vendor to closeout a HEAP client’s account and the account has a benefit balance less than \$25.00, Vendors may wait until the Annual Consumption Reporting and Sweeping of Accounts process to return any remaining benefit balances to MaineHousing. All related record-keeping must clearly show all remaining benefit balances; however, De Minimis benefit balances of less than \$25.00 do not need to be individually returned to MaineHousing throughout the year.

B. Client Funds vs. HEAP Funds

1. Unpaid eligible deliveries that occurred from October 1st of the current Program Year forward may be deducted from the amount being returned to MaineHousing.
2. On the date a Vendor receives HEAP benefits for a client, those funds may be applied to prior deliveries if the delivery was:
 - a. made on or after October 1st; and
 - b. adheres to the details listed on the Vendor Voucher Report; and
 - c. is unpaid by the client or other private party such as friends and family, and all or a portion of the delivery amount is outstanding; and
 - d. the delivery amount is not to be paid by an organization such as Keep ME Warm, faith-based organizations, General Assistance programs, and municipalities.
3. Vendors may refund credit balances directly to Eligible Households only if it can be clearly documented and demonstrated that those credit balances are in fact client funds and not HEAP funds.
4. After the HEAP Benefit posts, if there are current or future client funds on account, HEAP funds should be applied to subsequent deliveries until HEAP funds are exhausted/expired.

SECTION 10: ENERGY CRISIS INTERVENTION PROGRAM (ECIP)

A. Purpose

1. The Energy Crisis Intervention Program (ECIP) is a component of the Low Income Home Energy Assistance Program (HEAP). A Household may be eligible for ECIP if a member's health and safety is threatened by an Energy Crisis and the Household does not have the financial means or ability to avert the Crisis.
 - a. The ECIP timeframe is November 1st through the following April 30th.
 - b. The maximum ECIP benefit per Eligible Household per Program Year shall be determined each Program Year by MaineHousing based on Home Energy costs, economic conditions, and available funding. The maximum ECIP benefit for 2020/2021 is \$400.00.
 - c. A Household may be eligible for more than one ECIP benefit provided the total does not exceed \$400 per Program Year.
2. When Households present an Energy Crisis situation, the CAA or MaineHousing will work with Vendors to determine if an Upfront delivery is the best course of action to avert the Energy Crisis.

B. Electricity/Natural Gas only

An Eligible Household will receive an ECIP benefit equal to the maximum ECIP benefit or the minimum amount required to restore or prevent disconnection of Home Energy service, whichever is less.

C. Household Eligibility

A Household **may be eligible** for ECIP if there is an imminent loss of heat due to:

1. Less than three (3) day supply of Home Energy (e.g. reading a 1/8 tank or less on a standard 275 gallon heating oil tank; reading of 25% or less on a propane tank; "three" (3) day or less supply standard applies to other delivered Home Energy types).
2. Household does not have the financial means to purchase Home Energy.
3. Dysfunctional or unsafe Primary Heating System and there is no other Heating System that is safe, operable and capable of heating the dwelling adequately during severe cold weather.
4. Disconnection of service notice from electric utility provided the Household's Heating System requires electricity to operate.

D. Verifying Eligibility

CAAs are responsible for:

1. Determining and verifying the type of Energy Crisis the Household is experiencing.
2. Asking the Household to confirm the date of their last Home Energy delivery (by any Vendor), how many gallons and the size of their tank.
3. Contacting Vendor to verify:

- a. The amount (if any) of remaining HEAP benefits and any remaining TANF Supplemental Benefits or credits on account. Remaining HEAP and/or TANF Supplemental Benefits must be used in conjunction with or in lieu of ECIP funds.
- b. If the Vendor can do an upfront delivery within the required 18 or 48 hour timeframe pending receipt of a HEAP Benefit.
- c. Last delivery information – i.e. date and number of units delivered.

E. Purchase Order Amount

The Purchase Order amount will be determined and authorized by the CAA. The Vendor will need to provide the CAA with the following information:

1. Vendor's cash price.
2. If there are remaining HEAP benefits or TANF Supplemental Benefit credits on account, the Vendor will need to provide the CAA with a breakdown of the amounts (dollars and units) to be covered by HEAP, TANF Supplemental, and ECIP funds.

F. Upfronts

When it has been determined by a CAA or MaineHousing to pursue an Upfront delivery to avert an Energy Crisis, the CAA or MaineHousing will complete an Upfront Delivery Request form and ECIP Worksheet. A signed Upfront Delivery Request form guarantees the Vendor that MaineHousing will pay for the delivery. If there are delivery fees involved, an ECIP Purchase Order will be issued along with an Upfront Delivery Request Form.

G. Allowable Uses

The Vendor is required to provide ECIP services in accordance with the Vendor Agreement. Allowable expenditures must be related to averting an Energy Crisis and may include:

1. Payment to the Vendor for the delivery of Home Energy (and delivery charge if applicable) in an amount authorized by the CAA.
2. Delivery charges must be in accordance with Vendor policy and be the same as those charged to non-HEAP Households.
3. Payment to the Vendor for emergency repairs to a Heating System, performed by a licensed technician. Vendor must receive written authorization from the CAA prior to rendering services.
4. ECIP benefits can ONLY be used for the approved Home Energy type listed on the Purchase Order.
5. Surcharges, reconnection charges, or penalties related to a final utility disconnect notice. Utility costs must be directly related to the operation of the Heating System.

H. Time of Deliveries

CAAs are responsible for determining and verifying the type of crisis the Household is experiencing. If the Vendor agrees to accept the Purchase Order, the ECIP delivery must be made when prescribed by the CAA but in no case later than eighteen (18) hours from the time of the request made by the CAA if the Eligible Household is experiencing a Life Threatening Energy Crisis and forty-eight (48) hours in all other cases. The types of crisis are defined as follows:

1. Energy Crisis

A weather related and supply shortage emergency and other Household energy-related emergencies. If the Household is eligible, some form of assistance will be provided within forty-eight (48) hours after the Household has been certified eligible for ECIP.

2. Life Threatening Crisis

The Household is currently without heat or utility service to operate a Heating System or Heating Source. If the Household is eligible, some form of assistance will be provided within eighteen (18) hours after the Household has been certified eligible for ECIP.

I. Delivery Authorization

1. ECIP deliveries must be authorized by the CAA. Vendor cannot “pre-deliver” an ECIP benefit based on a client’s request.
2. Unless otherwise authorized by MaineHousing the Vendor will only deliver the Home Energy type listed on the ECIP Purchase Order. If the Vendor delivers a Home Energy type other than what is listed on ECIP Purchase Order, the Vendor will not be allowed to use ECIP benefits for those deliveries.
3. Delivery amounts will be determined and authorized by the CAA based on:
 - a. Vendor prices.
 - b. Applicable delivery charges (surcharges).
 - c. Home Energy type availability.
 - d. Vendor availability.
5. Two deliveries at separate times are not allowed under ECIP. If, however, there are safety issues, the Vendor may deliver enough product to avert the crisis, and then return to complete the delivery – ex. delivers jugs or truck tank runs out of product during snowstorm.
5. The CAA is not required to use the client’s regular Vendor if it is not deemed in the client’s best interest (i.e., price, availability, surcharges, etc.), or the Vendor cannot make the delivery within the required timeframe (i.e. 18 or 48 hours).

J. Purchase Order

1. Vendor must make the ECIP delivery in accordance with the written Purchase Order issued by the CAA. Prior to making the delivery, the Vendor should have written confirmation from the CAA detailing the ECIP delivery requirements. The Purchase Order will specify the following:
 - a. Eligible Household name
 - b. Delivery address
 - c. Type of fuel to be delivered
 - d. Value of the fuel plus any delivery charge (actual delivery cannot exceed this amount). The price per unit and any delivery charge should be consistent with the amounts the CAA and the Vendor agreed upon. ECIP pricing must be based on Vendor's cash price not charge price.
 - e. Delivery time requirements – i.e. 18 or 48 hours. The Vendor must notify the CAA immediately if they cannot meet the delivery timeframe specified on the purchase order.
2. If the Vendor has reason to believe the Household was not in an Energy Crisis situation, the Vendor should notify the CAA or MaineHousing. Examples:

Example #1: Wood Pellets

ECIP Purchase Order = \$250.00 (50 bags @ \$5.00 each)

Pellet dealer notices the household already has a full pallet of pellets.

Pellet dealer delivers the 50 bags per the ECIP Purchase Order.

When invoicing the CAA for the 50 bags delivered, Vendor makes the CAA aware of their observation by noting the following on the invoice: "Driver observed that there was a full pallet of pellets already on site."

Example #2: Propane

ECIP Purchase Order = \$249.00 (100 gallons @ \$2.49)

Vendor is only able to make a partial delivery (50 gallons fills tank).

Vendor notes the situation on the metered delivery ticket/invoice that is submitted to the CAA for payment.

K. Split Billed Deliveries

1. If there are remaining HEAP benefits or other non-HEAP funding available on the Eligible Household's account or remaining TANF Supplemental Benefits available, the Benefits or other funding must be used in lieu of ECIP, or in conjunction with ECIP.
2. The following examples provide guidance on posting deliveries that will be split billed between ECIP and other funds:

Example 1:	
<ul style="list-style-type: none"> • Approved fuel type = propane • Vendor's cash price = \$2.49/gallon • Vendor's minimum delivery = 100 gallon • HEAP Benefits remaining on account = \$55.25 Benefits must be fully expended and used to cover a portion of the emergency delivery. ECIP would cover the balance. 	
Remaining HEAP Benefits = \$55.25	$\$55.25/\$2.49 = 22.189$ gallons
ECIP PO Amount = \$193.75	77.811 gallons x $\$2.49 = \193.75

Example 2:	
<ul style="list-style-type: none"> • Approved fuel type = oil • Vendor's cash price = \$2.47/gallon • Vendor's minimum delivery = 100 gallons • HEAP Benefits remaining on account = \$100.00 Benefits must be fully expended and used to cover a portion of the emergency delivery. ECIP would cover the balance. 	
Remaining HEAP Benefits = \$100.00	$\$100.00/\$2.47 = 40.486$ gallons.
ECIP PO Amount = \$147.00	59.514 gallons x $\$2.47 = \147.00

Example 3:	
<ul style="list-style-type: none"> • Approved fuel type = oil • Vendor's cash price = \$2.54/gallon • Vendor's minimum delivery = 100 gallon • HEAP Benefits remaining on account = \$0.00 • Client credit on account = \$50.00 Client credit must be fully expended and used to cover a portion of the emergency delivery. ECIP would cover the balance. 	
Client Credit = \$50.00	$\$50.00/\$2.54 = 19.685$ gallons
ECIP PO Amount = \$204.00	80.315 gallons x $\$2.54 = \204.00

L. Documentation Required for Payment

Once the delivery has been made, the Vendor must submit the following to the CAA:

1. Delivery ticket (oil/kerosene and propane must be metered) documenting the following:
 - a. Customer's name
 - b. Delivery address
 - c. Date of delivery

- d. Type of fuel delivered
- e. Units delivered
- f. Price per unit (this must be Vendor's cash price)
- g. Total
- h. If the total amount on the delivery ticket is greater than the ECIP purchase order amount, the following must be notated and signed/dated on the delivery ticket:
 - i. Dollar amount to be paid by ECIP
 - ii. Dollar amount to be paid by HEAP (if applicable)
 - iii. Dollar amount to be paid by TANF Supplemental Benefits (if applicable). For TANF Supplemental payment, Vendor must also submit a detailed transaction history report as specified in Section 5.
 - iv. Dollar amount to be paid by client, another party or organization (if applicable)
- i. Invoice is required if the delivery ticket does not document all of the charges that were approved on the purchase order (ex. delivery fee, safety check, start-up fee).

M. Approval for Payment

The CAA will reconcile the Vendor's delivery ticket and invoice (if applicable) to the purchase order. The CAA will:

1. Verify the documentation to ensure:
 - a. Fuel was delivered to the correct address.
 - b. Delivery date on the delivery ticket was within the required timeframe.
 - c. Correct fuel type was delivered.
 - d. The units delivered and the unit price is consistent with the purchase order. Dollar amount on the metered delivery ticket or invoice is correct.
2. Obtain additional documentation from the Vendor as needed to reconcile any discrepancies between the invoice and delivery ticket, and the purchase order.
3. Approve the purchase order for payment if all documentation has been verified and is correct.

N. Payment

Once the CAA has approved the purchase order for payment, MaineHousing will issue payment to the Vendor for the ECIP delivery within ten (10) business days of the CAA approval date. If payment is not received within the appropriate time period, please contact MaineHousing.

O. Annual Consumption Report (ACR)

ECIP deliveries (number of units delivered and total cost) must be included in the data reported for the Household. If the Vendor makes an ECIP delivery to a Household that is not a regular customer, records of the delivery must be maintained and reported on the ACR.

P. Other Allowable Uses for ECIP

1. Allowable expenditures include three other service components. Although these services do not involve Home Energy Vendors, this information is being included in the Handbook to make Vendors aware of the other services available to Eligible Households experiencing Energy or Life Threatening Crises.
2. If a Home Energy delivery or heating system repair/replacement cannot be made within the required timeframe (i.e. 18 or 48 hours), the CAA may provide the following services:
 - a. Space heaters.
 - b. Temporary relocation provided the Eligible Household is experiencing a Life Threatening Crisis that cannot be averted within 18 hours by a Home Energy delivery or heating system repair/replacement. Rent with heat or Subsidized with heat included tenants are not eligible.
 - c. Rental payment assistance provided the Eligible Household is a tenant whose rent includes heat and is facing eviction within 72 hours due to nonpayment of rent. Subsidized with heat tenants are not eligible.

SECTION 11: ECIP - ELECTRICITY AND NATURAL GAS

A. Purpose

1. The Energy Crisis Intervention Program (ECIP) is a component of the Low Income Home Energy Assistance Program (HEAP). A Household may be eligible for ECIP if a member's health and safety is threatened by an Energy Crisis and the Household does not have the financial means or ability to avert the Crisis.
2. ECIP timeframe is November 1st through the following April 30th.
3. The maximum ECIP benefit per Eligible Household per Program Year shall be determined each Program Year by MaineHousing based on Home Energy costs, economic conditions, and available funding. The maximum ECIP benefit for 2020/2021 is \$400.00.
4. An Eligible Household will receive an ECIP benefit equal to the maximum ECIP benefit or the minimum amount required to restore or prevent disconnection of Home Energy service, whichever is less.
5. A Household may be eligible for more than one ECIP benefit provided the total does not exceed \$400 per Program Year.

B. Household Eligibility

A Household **may be eligible** for ECIP if Household's heat-related utility service is scheduled for disconnection or has been disconnected. This includes heat-related electric and natural gas disconnects. ECIP eligibility is contingent on the following:

1. Household's Heating System requires electricity or natural gas to operate;
2. Utility service/account that operates the Heating System is in a Household member's name; and
3. Household does not have the financial means to prevent disconnection or restore service and has exhausted its ability to negotiate and pay the terms of a reasonable payment arrangement.

C. Verifying Eligibility

CAAs are responsible for:

1. Determining and verifying the type of crisis the Household is experiencing.
2. Obtaining documentation from the Household or Vendor verifying:
 - a. Utility service has been disconnected or is scheduled for disconnection;
 - b. Account balance and amount past due; and
 - c. Amount needed to prevent disconnection or to restore utility service.
3. Contacting Vendor to determine:
 - a. If Household has any remaining HEAP Benefits or Low Income Assistance Plan (LIAP) funds on account, or unused Supplemental Benefits (these benefits/funds must be used in conjunction with or in lieu of ECIP funds).
 - b. Amount of financial assistance necessary to prevent disconnection.
 - c. Amount of the most current one month bill (unless the Applicant is billed bi-monthly).
 - d. If the Applicant has a payment arrangement, and, if so, the terms of the arrangement.
 - e. If the Applicant has exhausted their ability to comply with the terms of a reasonable payment arrangement.

D. Allowable Uses

The Vendor is required to provide ECIP services in accordance with the Vendor Agreement and as authorized by the CAA. Allowable expenditures must be associated with averting a heat-related crisis and may include:

1. Payment to the Vendor in an amount authorized by the CAA.
2. Surcharges, reconnection charges, or penalties related to a final utility disconnect notice provided the utility service is directly related to the operation of the Heating System. The amount of any charges or penalties must be in accordance with Vendor policy and be the same as those charged to non-HEAP Households.
3. ECIP benefits can ONLY be used for the approved Home Energy type listed on the Purchase Order.

E. Restoration of Service

CAAs are responsible for determining and verifying the type of crisis the Household is experiencing. If the Vendor agrees to accept the Purchase Order, service must be restored or the disconnection order canceled within the timeframe prescribed by the CAA, but in no case later than eighteen (18) hours from the time of the request made by the CAA if the Eligible Household is experiencing a Life Threatening Energy Crisis and forty-eight (48) hours in all other cases. The types of crises are defined as follows:

1. Energy Crisis

Household has Heating Source/System that is safe to operate, and a supply of Home Energy for the Heating Source/System. CAA must provide some form of assistance within forty-eight (48) hours after the Household has been determined eligible for ECIP.

2. Life Threatening Crisis

Household is currently without heat or utility service to operate a Heating Source/System. CAA must provide some form of assistance within eighteen (18) hours after the Household has been determined eligible for ECIP.

F. Purchase Order

The CAA will fax or email the Purchase Order to the Vendor. Vendor must restore utility service or cancel the disconnect order in accordance with the written Purchase Order issued by the CAA. Verbal purchase orders should only be accepted if there are extenuating circumstances. The Purchase Order shall specify the following:

1. Primary Applicant name.
2. Name on utility account (if different than Primary Applicant).
3. Utility account number.
4. Delivery address (i.e. service location).
5. Home Energy type.
6. Amount of ECIP benefit including any fees.
7. Required timeframe for crisis resolution – i.e. 18 or 48 hours. The Vendor must notify the CAA immediately if they cannot restore service or cancel disconnect order within the timeframe specified on the Purchase Order.

G. Delivery Authorization

1. ECIP deliveries must be authorized by the CAA.
2. ECIP benefit amounts will be determined and authorized by the CAA and based on the applicable surcharges and reconnection fees.
3. Unless otherwise authorized, in writing, by MaineHousing, the Vendor will only apply ECIP benefits to the service location/physical address identified on the Purchase Order.

H. Documentation Required for Payment

Once utility service has been restored or the disconnection order has been canceled, the Vendor must submit the following to the CAA:

1. Copy of the Purchase Order.
2. Written confirmation of the time/date service was restored or the disconnect order was canceled. The Vendor staff person will:
 - a. Record the resolution time/date and print/sign their name on the Purchase Order;
or
 - b. Include the resolution time/date in the body of their email message.

I. Payment

Once the CAA has approved the Purchase Order for payment, MaineHousing will issue payment to the Vendor within ten (10) working days. If payment is not received within the appropriate time period, please contact MaineHousing.

J. Annual Consumption Report (ACR)

ECIP deliveries (number of units and total cost) must be included in the totals reported for the Household.

K. Allowable Uses for ECIP

Allowable expenditures include three other service components. Although the following services do not involve Home Energy Vendors, this information is being included in the Handbook to make Vendors aware of the other services available to Eligible Households experiencing Energy or Life Threatening Crises. If utility service cannot be restored within the required timeframe (i.e. 18 or 48 hours), the CAA may provide the following services:

1. Space heaters.
2. Temporary relocation provided the Eligible Household is experiencing a Life Threatening Crisis and utility serviced cannot be restored within 18 hours.

SECTION 12: LOW INCOME ASSISTANCE PLAN (LIAP) ELECTRICITY ONLY

Eligibility for LIAP is contingent on a Household being HEAP eligible. Certification for LIAP does not mean the Household is eligible to receive a LIAP benefit, but that they are HEAP eligible and interested in participating in the utility's LIAP program. Every Friday MaineHousing sends each electricity Vendor a report listing those Households that have been certified eligible for HEAP and benefit has been issued.

SECTION 13: RECORDKEEPING

A. Maintenance and Availability

1. Vendor agrees to prepare, retain, make available, and supply to MaineHousing Records and other information necessary, as MaineHousing may determine, to audit and evaluate the Vendor's performance under this Agreement. Records shall be available for inspection and copying by MaineHousing at the Vendor's office during Vendor's regular business hours.
2. In addition, upon MaineHousing's request, Vendor shall copy and submit to MaineHousing Records designated by MaineHousing in the form and within the time period required by MaineHousing. Records and information shall be in such form and shall be stored as may be prescribed by MaineHousing. In addition to the other rights of MaineHousing under this Section 13, MaineHousing, the United States Department of Health and Human Services, and the United States Inspector General and their respective representatives shall have access to all Records for the purpose of reviewing, examining, inspecting, investigating, auditing, copying, translating or transcribing any information contained therein.
3. Vendor shall cooperate fully with any such action by the Federal government or MaineHousing, including copying and providing Records as may be required by any such government entity and its representatives.

B. Account Records

1. For the Home Energy type specified on the Vendor Voucher Report, the account record must include all deliveries to and purchases made by an Eligible Household between May 1st and April 30th for each Program Year. At a minimum, Vendor is required to prepare, retain, and provide MaineHousing records consisting of the information listed below. This information is required for both electronic and manual account records.
2. If Vendor maintains HEAP account records manually (Vendor has no electronic system), Vendor must use MaineHousing's Manual Transaction Report Form.
3. Vendors records must include:
 - a. Customer name and address.
 - b. Dates of deliveries
 - c. # units delivered (gallons/kwh/tons/bags/pallets/therms)
 - d. Price per unit (gallons/kwh/tons/bags/pallets/therms)
 - e. Total cost of delivery or purchase
 - f. Posting of payments/credits. All deliveries paid by organizations or municipalities, such as faith-based organizations, Keep ME Warm or General Assistance funds, must be identified accordingly.
 - g. Home Energy type delivered

- h. Date HEAP or ECIP Benefit was posted to account and Benefit amount received (must be identified as HEAP, LH, HEAP, FA, or MH). Do not label HEAP Benefits with a CAA name, such as KVCAP.
- i. Daily log of Vendor's posted Retail Cash Prices for all Home Energy types.
- j. Oil/Kerosene only: records/documentation showing that the \$0.07 discount (DOR) was applied to the Retail Cash Price for HEAP paid deliveries (when applicable for Program Years prior to PY2020).
- k. Oil, Kerosene, and Propane: metered delivery tickets must include the following information:
 - i. Customer name
 - ii. # gallons delivered
 - iii. Delivery address
 - iv. Date of delivery
 - v. Price per gallon
 - vi. Home Energy type delivered.
- l. The amount of unexpended HEAP Benefits on account for each Eligible Household.
- m. Records of Price Protection Plans (if applicable) outlining the terms and conditions of the payment plan.

C. Retention

1. Per the Vendor Agreement, the Vendor shall retain the Records for a period of three (3) years after expiration or termination of the Agreement. This provision shall survive the expiration or earlier termination of the Agreement.
2. The Vendor must retain all HEAP, TANF Supplemental, and ECIP transactions that occurred during any given contract term for a period of three (3) years after the Agreement expiration date.

Vendor Agreement Term	Disposal Date
10/1/2016 to 6/30/2017	7/1/2020
7/1/2017 to 6/30/2018	7/1/2021
7/1/2018 to 6/30/2019	7/1/2022
7/1/2019 to 6/30/2020	7/1/2023
7/1/2020 to 6/30/2021	7/1/2024

SECTION 14: REPORTING REQUIREMENTS

A. General

Per the Vendor Agreement, Vendors must supply any reports determined necessary by MaineHousing. MaineHousing may prescribe the form and the response must be submitted on or before the date specified by MaineHousing.

B. Annual Consumption Reports (ACR)

1. The purpose of the ACR requirement is to account for the use of HEAP funds and to determine the Household's total deliveries, for the approved Home Energy type, from May 1st to April 30th.
 - a. MaineHousing uses the ACR information to determine a client's benefit for the following Heating Season, and to meet federal reporting requirements.
 - b. HEAP funds may be applied from October 1st for the approved Home Energy type regardless of whether or not the delivery is outstanding or has been paid by private funds. HEAP funds cannot be applied to deliveries paid by organizational funds, including but not limited to, Keep ME Warm, faith-based organizations, General Assistance, and municipalities.
 - c. When calculating Total Household units delivered, Vendor will add deliveries for the specified Home Energy type regardless of payment source.
 - d. When calculating Total Household Costs, Vendor will add all payments for deliveries of the specified Home Energy type regardless of payment source.
2. Detailed instructions for completing the ACR can be found in Appendix C.
3. Detailed instructions for completing the ACR can be found in Appendix D (for Electricity and Natural Gas).

C. Household Energy Cost Reports (HECR)

1. In addition to the ACR, electricity Vendors are required to submit the HECR. The purpose of the HECR is to collect electricity consumption for HEAP clients whose HEAP/ECIP benefits were NOT issued to their electricity Vendor. MaineHousing is required to report this data to the U.S. Department of Health and Human Services, which uses it to assess the impact HEAP has on reducing energy burden for HEAP Households.
2. Detailed instructions for completing the HECR can be found in Appendix E.

SECTION 15: MONITORING/AUDITING PRACTICES

A. Regular Monitoring

MaineHousing reserves the right to monitor/audit Vendor records to ensure compliance with the terms of the Vendor Agreement and program guidelines. An audit may be conducted onsite at the Vendor's office or at MaineHousing (desk audit).

1. Vendor Selection

May be made based on:

- a. Random selection of Vendors;
- b. Complaints received from a CAA or an Eligible Household; or
- c. Indications of performance or compliance issues/concerns.

2. Notification and Scheduling

MaineHousing will contact the Vendor, by telephone, to notify them of the impending audit, location of audit (onsite or MaineHousing desk review), and to schedule a date(s). MaineHousing will typically give the Vendor at least two (2) weeks' notice, unless there are extenuating circumstances. MaineHousing will send the Vendor a follow-up letter confirming the date(s)/time(s) of the audit and a list of the information and documentation the Vendor must have available for MaineHousing's inspection.

3. Documentation/Information Required

MaineHousing's audit will include, but is not limited to, a review of the documentation listed in Section 12, Recordkeeping.

4. Audit Report

MaineHousing will issue a written report within two (2) weeks of its completion of the audit. The report will include an overview of the process and results as well as a spreadsheet listing any findings, recommendations, and/or corrective actions the Vendor must implement to address any deficiencies.

5. Corrective Actions

Vendor will be given thirty (30) days to address deficiencies. If directed to do so, Vendor must provide a written response to MaineHousing detailing the actions Vendor has taken.

6. Suspension/Termination and Watch List

In the event audit findings raise issues concerning the Vendor's continued ability to make Home Energy deliveries or otherwise comply with the terms of the Vendor Agreement, or that Vendor's performance is out of compliance with the requirements of the Vendor Agreement, MaineHousing may, in its sole discretion, place the Vendor on a "Watch List" or take steps to suspend or terminate the Agreement between the Vendor and MaineHousing. Reference Section 12 of the Vendor Agreement for additional information.

B. Close-out Audit

- (1) If the Vendor Agreement is terminated by the Vendor or MaineHousing, MaineHousing will perform a Close-out audit to reconcile receipts and use of all Fuel Assistance, TANF Supplemental Benefits, and ECIP funds by Vendor. The Vendor is responsible to keep this information by Eligible Household and provide it to MaineHousing upon request.
- (2) A Close-out audit must be performed if a Vendor is going/has gone out of business or has decided not to continue its participation in the Program. Furthermore, a Vendor must notify MaineHousing if it plans to sell its business to another party. In such cases, MaineHousing must perform a Close-out audit. If the new owner wants to become a Vendor, they must be approved by and execute a new Vendor Agreement with MaineHousing.
- (3) Vendor shall not at any time transfer HEAP funds or TANF Supplemental Benefit credits to another fuel vendor, whether or not such other fuel vendor has entered into a similar HEAP Vendor Agreement with MaineHousing, to the accounts of other Eligible Households that are customers of Vendor, or to any other party other than MaineHousing.
- (4) The following outlines the close-out process:

1. **Notification**

MaineHousing will mail a close-out letter to the Vendor.

2. **HEAP Funds**

Vendor must return remaining HEAP funds to MaineHousing and provide detailed transaction reports for the corresponding client accounts, delivery tickets, and Vendor's daily Retail Cash Price log. Failure to return unspent funds by the date prescribed by MaineHousing may result in prosecution for theft by state or federal authorities, MaineHousing pursuing civil remedies and disqualification from future participation in the program.

3. **Documentation**

Vendor must submit the following to MaineHousing within thirty (30) calendar days from the date of the Close-out letter or the date prescribed by MaineHousing:

- a. Detailed transaction reports for each client account showing all delivery and payment activity from May 1st of the Benefit year(s) of issue through the current date. MaineHousing will provide a detailed list of clients and payment amounts and Benefit year.
- b. Vendor's daily Retail Cash Price log starting on the date prescribed by MaineHousing and thru current date.
- c. Metered delivery tickets for all deliveries noted on the transaction report. This includes metered delivery tickets for the transaction reports previously submitted for clients with HEAP funds remaining on their accounts.
- d. Price protection plan between the Vendor and the HEAP client, if applicable.
- e. MaineHousing Questionnaire (completed by Vendor) with information about Vendor's policies and procedures.

4. **Reconciliation**

MaineHousing will review all documentation to reconcile all HEAP, TANF Supplemental Benefit, and ECIP disbursements.

5. **Report**

Upon completion, MaineHousing will send the Vendor a report detailing any findings. If it is determined that additional funds are due to MaineHousing, the Vendor will be required to return these additional HEAP, TANF Supplemental Benefit, or ECIP funds. Failure to comply with the Close-out audit requirements may result in legal action and disqualification from future participation in the program.

SECTION 16: FRAUD/ABUSE

MaineHousing has zero tolerance for fraud/abuse and investigates all concerns reported by Vendors, CAAs, third parties, or individuals.

A. Reporting

Vendors must report to MaineHousing any suspected client or Vendor fraud/abuse. The report must include the name of the person being reported, their county of residence, and details of the suspected fraudulent activity. Due to confidentiality, MaineHousing is not able to share the outcome of its investigation with the person/party who reported the alleged fraud/abuse. Reports may be made:

1. By telephone at 1-800-452-4668 or (207) 626-4600.
2. In writing to MaineHousing, ATTN: HEAP Errors and Program Abuse, 26 Edison Drive, Augusta, Maine 04330.
3. By e-mail to liheapcompliance@mainehousing.org

B. Client Fraud/Abuse

The following basic program guidelines are intended to help Vendors recognize potential fraud/abuse:

1. Eligibility for HEAP is based on a number of factors including, but not limited to, Household income, full-time residency in the State and use of Dwelling as a full-time residence for at least four (4) months during the Heating Season.
2. Households living in a camper are not eligible for HEAP. A camper is defined as motor home, trailer, semitrailer, or truck camper primarily designed and originally constructed to provide temporary living quarters for recreational, camping, or travel use regardless of modification(s) or length.
3. A Household may receive only one Fuel Assistance Benefit and one TANF Supplemental Benefit per Heating Season (unless MaineHousing issues Supplemental Benefits).
4. Households are prohibited from selling Home Energy that was paid by HEAP, TANF Supplemental Benefits or ECIP funds.

5. HEAP, TANF Supplemental Benefits, and ECIP funds cannot be used to heat out-buildings such as detached garages, sheds, and workshops.

C. Vendor Fraud/Abuse

Vendors may only use HEAP, TANF Supplemental Benefit or ECIP funds for their intended purpose, e.g. delivery of the approved Home Energy type to an Eligible Household. Vendors are prohibited from using HEAP, TANF Supplemental Benefit, or ECIP funds for any other purpose including, but not limited to, purchasing equipment, writing off HEAP credit balances, paying for business or personal debts, and trading funds with clients for services or product.

SECTION 17: CONFIDENTIALITY

A. Information Protection Guidelines

MaineHousing and its business partners rely on computer technology that is powerful and far-reaching to facilitate our ability to serve clients throughout the state of Maine. Every day, information systems process, store, and transmit confidential client information and sensitive data. Keeping protected information secure is an obligation mandated by state and federal laws, along with contractual agreements between MaineHousing and its partners – and it's the right thing to do.

B. Personally Identifiable Information (PII)

PII is any information about an individual that can be used to distinguish or trace an individual's identity. PII is also any other information that is linked (or linkable) to an individual, such as medical or financial information. Examples of PII include, but are not limited to:

1. **Any** information provided by applicants or participants in MaineHousing programs.
2. Personal identification numbers, such as social security number (SSN), passport number, driver's license number.
3. Financial account or credit card information, including account numbers, card numbers, expiration dates, cardholder name, or service codes.
4. Healthcare / medical information disclosed to MaineHousing.
5. Names and addresses of clients participating in MaineHousing programs.
6. Address of a shelter or other living accommodations for victims of domestic violence.
7. The format that the information is in **does not** matter. Paper records, electronic files, and email can all contain protected information.

C. Information Protection Measures.

1. **Encrypt all Personally Identifiable Information contained on computers, laptops, and portable electronic devices, such as CDs and USB drives.** File Encryption converts the contents of a file so as to make them unreadable to others, unless they have the correct password. There are many file and disk encryption options available, such as Bitlocker for Windows, or several free/open-source options that are fairly easy to use.

2. **Send e-mails or e-mail attachment with Personally Identifiable Information through a secure e-mail server.** If you don't have access to an application that encrypts e-mail, request that your MaineHousing contact send you a secure e-mail. You will receive an encrypted e-mail notification that will allow you to access MaineHousing's email encryption service. You can securely reply to the encrypted message by using the reply function through the secure email portal. Alternatively, MaineHousing can provide access to Sharefile for securely sending documents back and forth to MaineHousing.

3. **Put measures in place to prevent the loss, theft, misappropriation or inadvertent disclosure of Personally Identifiable Information.** Remove documents that contain PII from printers or fax machines, do not leave paperwork containing PII on desks or other work areas unattended, place paperwork containing PII in a locked file at the end of the business day, and shred documents containing PII that are no longer needed. Securely dispose of any computer equipment or storage media containing PII. Destroy or securely erase hard drives.

If you suspect or become aware of a failure to protect Personally Identifiable Information, notify MaineHousing immediately.

SECTION 18: VENDOR WEB PORTAL

MaineHousing's "Vendor portal" provides online access to program forms, documents, and information such as:

HEAP Vendor List	http://www.mainehousing.org/programs-services/energy/liheap-fuel-suppliers
MaineHousing Public Hearing Notices	http://www.mainehousing.org/news/public-notices

APPENDIX A: COMMUNITY ACTION AGENCIES

AROOSTOOK COUNTY ACTION PROGRAM, INC.

(Aroostook County)

Jamie Chandler, COO of Housing, Energy & Economic Assistance Programs, jchandler@acap-me.org

Erin Benson, Program Coordinator for Energy Programs, ebenson@acap-me.org

Contact Information: Presque Isle = 1-800-585-3053 OR 207-768-3053
FAX = 207-768-3021

COMMUNITY CONCEPTS, INC.

(Androscoggin and Oxford Counties)

Sandy Albert, Director of Housing Improvement Services, salbert@community-concepts.org

Lisa McGee, Manager of Community Support Services, lmcgee@community-concepts.org

Contact Information: South Paris = 207-743-7716
Auburn = 207-795-4065
FAX = 207-743-6513
TTY = 207-743-0276

DOWNEAST COMMUNITY PARTNERS

(Washington and Hancock Counties)

Lee Hardison, Energy Services Director, lee.hardison@downeastcommunitypartners.org

Jill Gaspar, Energy Services Operations Manager, jill.gaspar@downeastcommunitypartners.org

Contact Information: Ellsworth or Milbridge = 1-800-828-7544 (8:00 AM through Noon) OR 207-664-2424 OR 207-546-7544
FAX = 207-664-2430

KENNEBEC VALLEY COMMUNITY ACTION PROGRAM

(Kennebec, Somerset, Lincoln, and Sagadahoc Counties)

Monica Grady, Director of Energy & Housing, monicag@kvcap.org

Nicole Washburn, Energy & Housing Operations Manager, nicolew@kvcap.org

Contact Information: Augusta, Skowhegan, Waterville and Wiscasset
1-800-542-8227 OR 207-859-1500
FAX = 207-872-6747

PENQUIS COMMUNITY ACTION PROGRAM

(Penobscot, Piscataquis, and Knox Counties)

Jennifer Giosia, Director of Housing & Energy Services, jgiosia@penquis.org

Lynn Lugdon, Program Manager, llugdon@penquis.org

Contact Information: Bangor = 207-973-3500 OR 207-973-3630
Dover = 207-564-7116
Lincoln = 207-794-3093
Knox County = 207-596-0361
FAX = 207-973-3699
TTY = 207-973-3520

THE OPPORTUNITY ALLIANCE

(Cumberland County)

Christina Link, Energy Programs Coordinator, christina.link@opportunityalliance.org

Contact Information: Portland = 1-800-698-4959 OR 207-553-5900
FAX = 207-553-5976
TTY = 207-874-1013

WALDO COMMUNITY ACTION PARTNERS

(Waldo County)

Brent Stapley, Housing Director, bstapley@waldocap.org

Contact Information: Belfast = 1-800-498-3025 OR 207-338-3025
FAX = 207-930-7324

WESTERN MAINE COMMUNITY ACTION

(Franklin County)

Judy Frost, Community Services Program Manager, jfrost@wmca.org

Contact Information: East Wilton = 1-800-645-9636 OR 207-645-3764
FAX = 207-645-3270

YORK COUNTY COMMUNITY ACTION CORPORATION

(York County)

Jackie Watson, Director of Energy Services (Housing & Energy), jackie.watson@yccac.org

Jessica Fajardo, LIHEAP Site Manager, jessica.fajardo@yccac.org

Contact Information: Sanford = 1-800-965-5762 OR 207-324-5762
Biddeford = 207-283-2402
Kittery/Eliot = 207-439-2699

APPENDIX B: MAINEHOUSING HEAP STAFF

Manager of HEAP: Troy Fullmer

Manages/oversees program components funded by HEAP grant, including Fuel Assistance, Energy Crisis Intervention Program (ECIP), Central Heating Improvement Program (CHIP), HEAP Weatherization, and Assurance 16 activities.

Phone: 207-624-5720

Email: tfullmer@mainehousing.org

HEAP Program Officer: Laura James

Processes Fuel Assistance, ECIP, and TANF Benefit payments.

Phone: 207-626-4651

Email: ljames@mainehousing.org

HEAP Program Assistant: Angie Desrochers

Processes benefit returns and change of address/change of product requests. Processes TANF Supplemental Benefit payments. Coordinates the (vendor) Annual Consumption Report process. Reviews and processes vendor contracts.

Phone: 207-624-5765

Email: adesrochers@mainehousing.org

HEAP Vendor Compliance Officers: Lori McPherson and Casey Erlebach

Monitor vendor use of Fuel Assistance, ECIP, and TANF Supplemental Benefits. Perform closeout audits for vendor contract terminations. Address vendor compliance issues and provide training and technical assistance to vendors. Process requests from prospective/new vendors. Investigate potential (vendor) program abuse/fraud.

Lori McPherson

Casey Erlebach

Phone: 207-624-5711

Phone: 207-624-5796

Email: lmcperson@mainehousing.org

Email: cerlebach@mainehousing.org

HEAP Program Compliance Officers: Emily Sparrow and Vanessa Taylor

Investigate potential program abuse/fraud, review appeal requests, and work on fair hearing cases.

Emily Sparrow

Vanessa Taylor

Phone: 207-624-5700

Phone: 207-624-5756

Email: esparrow@mainehousing.org

Email: vtaylor@mainehousing.org

APPENDIX C: ANNUAL CONSUMPTION REPORT (ACR) INSTRUCTIONS

Completed reports are due back to MaineHousing no later than June 7, 2021.

1. **Reporting period is May 1, 2020 thru April 30, 2021.**
2. If you have subsidiaries and have transferred funds internally, you are still required to report consumption information. **Please do not leave blank.**
3. **DO NOT** round to the nearest whole number or dollar.

For Electronic Submissions:

1. **Do NOT change the format** of the report (do not add, delete/hide columns, change headings etc.).
2. All number fields **must be numeric with no dollar signs (\$)**. Enter a value or leave at '0'.
3. All fields must be numeric; no symbols (do not use !@#%&*()~+={ }[]:;<>./?'")

Field Name	Instructions
Applicant Name	Do not change
Account Number	Please review and provide updated account numbers. If you make a change, please put a comment in the "Notes" column.
Physical Address	Do not Change If the client has moved this may not match the address you have on file. Only the first 20 characters are included in the report. If the address is different, put a comment in the "Notes" column.
Physical Town	Do not change If the client has moved this may not match the address you have on file. Put a comment in the "Notes" column to indicate an address is different.
LIHEAP Benefits	Total PY2021 LIHEAP benefit amount issued to you on the client's behalf.
Fuel Type	Do not Change If the client has moved this may not match the Fuel Type you have on file. Put a comment in the "Notes" column to indicate a fuel type is different.
ECIP Benefits	Amount of Energy Crisis Intervention funds paid to you on the client's behalf. In the "Notes" column, indicate changes if applicable.
Prior Yr Benefit Remaining	Remaining amount on account from last year (based on information the vendor provided in the PY2020 ACR). If a client changed vendors during the 2019-2020 season, the benefit remaining will be reflected on the current vendor's report. Any remaining benefit from last year follows the client and will be listed on the new/current vendor's report. Example: Jane Smith's vendor for 2019-2020 was XXX who reported a remaining benefit of \$50.00. In 2020-2021, Jane Smith chose your company as her vendor. The remaining \$50.00 benefit will show up on your company's report even though you never received it. In such cases, please indicate in the "Notes" column that you did not receive the remaining benefit from last year.

Field Name	Instructions																				
LIHEAP Gal/kWh Purchased	<p>Indicate the number of units (gallons/kWh) purchased with the customer's PY2021 LIHEAP Benefit between October 1, 2020 and April 30, 2021.</p> <p>Do not include units paid by TANF Supplemental Benefits.</p> <p>If the client has a Prior Year Benefit Remaining, the timeframe would be from May 1, 2020 and April 30, 2021 as you need to include any units paid for by the Prior Year Benefit which can be used before Oct. 1st.</p> <p>Total should not be the same as the Total Household Gallons unless all purchases were paid for with LIHEAP funds.</p> <p>For Example: Prior Yr. Benefit Rem. = \$100.00 2020-2021 Benefit = \$700.00 Approved Product = Oil</p> <table border="1" data-bbox="448 667 1321 907"> <thead> <tr> <th>Delivery Date</th> <th>Gallons</th> <th>Product</th> <th>Amount</th> </tr> </thead> <tbody> <tr> <td>8/5/20</td> <td>77</td> <td>Oil</td> <td>\$100.00</td> </tr> <tr> <td>10/6/20</td> <td>86.9</td> <td>Oil</td> <td>\$112.88</td> </tr> <tr> <td>3/20/21</td> <td>159</td> <td>Oil</td> <td>\$222.44</td> </tr> <tr> <td>ACR Answer (total)</td> <td>322.9 gallons</td> <td></td> <td></td> </tr> </tbody> </table> <p>**The LIHEAP gallons would be 322.9 and NOT 245.9 because the 8/5/20 delivery was within the May 1, 2020 – April 30, 2021 timeframe and it was paid for by the prior year benefit remaining so you need to include it in this column. Please note that you only include the deliveries prior to October 1st that were covered by HEAP funds. In this scenario, if the client would have had another delivery on 9/25/20, it would not have been included in the LIHEAP gallons because the Prior Year Benefit Remaining was already used up on that 8/5/20 delivery (these gallons delivered on 9/25/20 would only be accounted for in the Total Household Gallons column).</p> <p>For vendors who deliver wood pellets, bio-bricks, corn or coal, please identify the reported weight amount purchased (i.e., tons, bags, pallets).</p>	Delivery Date	Gallons	Product	Amount	8/5/20	77	Oil	\$100.00	10/6/20	86.9	Oil	\$112.88	3/20/21	159	Oil	\$222.44	ACR Answer (total)	322.9 gallons		
Delivery Date	Gallons	Product	Amount																		
8/5/20	77	Oil	\$100.00																		
10/6/20	86.9	Oil	\$112.88																		
3/20/21	159	Oil	\$222.44																		
ACR Answer (total)	322.9 gallons																				
ECIP Gal/kWh Purchased	<p>Indicate number of gallons purchased with the client's ECIP benefit. Please Note: Total should not be the same as the LIHEAP Gallons or Total Household Gallons unless an ECIP delivery was the only delivery made to the household.</p> <p>For vendors who deliver wood pellets, bio-bricks, corn or coal, please identify the reported weight amount purchased (i.e., tons, bags, pallets).</p>																				

Field Name	Instructions
Total Household Gal/kWh	<p>Indicate the total number of units delivered between May 1, 2020 and April 30, 2021. This fuel should conform to the type of fuel identified on the Vendor Voucher Report. Include all deliveries made to this household regardless of who paid for it. The total gallons should include, but are not limited to, LIHEAP (current year & prior year funds), TANF Supplemental Benefits, ECIP, private pay, General Assistance, Salvation Army, etc.</p> <p>Kerosene clients: If a client purchased a blend or #2 fuel, please include all gallons purchased for both products in this column ONLY. This is for consumption reporting purposes ONLY. LIHEAP funds and TANF Supplemental Benefits may only be used for the fuel type listed on the Vendor Voucher Report or the Credit Notification Report.</p> <p>If the customer's account was used to purchase fuel for more than one dwelling (i.e., duplex), please put a note indicating that in the "Notes" column.</p> <p>If the household has a second fuel tank for heating an outbuilding/garage, cooking, or other non-heating purpose, do not include fuel purchases for the second tank.</p> <p>For vendors who deliver wood pellets, bio-bricks, corn or coal, please identify the reported weight amount purchased in the notes column (i.e., tons, bags, pallets).</p>
Total Household Cost	<p>Indicate total cost to household associated with the gallons/ kWh reported above. This is the total dollar amount of all deliveries regardless of who actually paid for them. The total cost should include, but is not limited to, LIHEAP (current year & prior year funds), TANF Supplemental Benefits, ECIP, private pay, General Assistance, Salvation Army, etc.</p> <p>Kerosene clients: If a client purchased a blend or #2 fuel, please include the cost for all gallons purchased for both products in this column ONLY. This is for consumption reporting purposes ONLY. LIHEAP funds and TANF Supplemental Benefits may only be used for the fuel type listed on the Vendor Voucher Report or Credit Notification Report.</p> <p>If the household has a second fuel tank for heating an outbuilding/garage, cooking, or other non-heating purposes, do not include fuel purchases for the second tank.</p> <p>Annual costs should NOT include service charges or late fees – <u>only the cost for actual fuel delivered.</u></p>
Benefit \$ Remaining	<p>Indicate any LIHEAP funds (current & prior year) remaining on account for the customer. Do not report any credit balances resulting from private purchases; ONLY LIHEAP funds.</p>
Plan Code	<p>Payment Plan Code – if the household participated in a Supplier Payment Plan, indicate the type and description of the plan (examples: BP=budget plan; PB=pre-buy; CAP=cap pricing, MOR=Margin over rack, LL=Landlord rates, etc.). Do not enter more than 6 characters; if an explanation is required please provide in the notes section.</p>
Notes	<p>Blank space for you to make notes about the household (examples: plan explanation, client moved, is deceased, heats 2 units, same account for outbuilding, monies returned to MaineHousing, etc.).</p>
Completed By	<p>Signature of the person who completed the report.</p>
Print Name	<p>Print name of the person who completed the report.</p>
Date Completed	<p>Date report was completed.</p>
Phone Number	<p>Phone number of person MaineHousing should contact with questions.</p>
E-Mail Address	<p>E-mail address of person who completed the report.</p>

APPENDIX D: ANNUAL CONSUMPTION REPORT (ACR) INSTRUCTIONS (Electricity & Natural Gas)

Completed reports are due back to MaineHousing no later than June 7, 2021.

Please read the following instructions before completing the report, as several changes have been made.

1. Reporting period is May 1, 2020 thru April 30, 2021.
2. If you have subsidiaries and have transferred funds internally, you are still required to report consumption information. **Please do not leave blank.**
3. DO NOT round any numbers on the report.

4.	For Electronic Submissions:
a.	Do NOT change the format of the report (do not add , delete/hide columns, change headings etc.).
b.	All number fields must be numeric with no dollar signs (\$) . Enter a value or leave at '0'.
c.	All fields must be numeric; no symbols (do not use !@#%&^*()~+={} :;<>/'"''')

Field Name	Instructions
Applicant Name	Do not change
Account Number	Please review and provide updated account numbers. If you make a change, please put a comment in the "Notes" field.
Physical Address	Do not change If the client has moved this may not match the address you have on file. Only the first 20 characters are included in the report. If the address is different, put a comment in the "Notes" column.
Physical Town	Do not change If the client has moved this may not match the address you have on file. Put a comment in the "Notes" column to indicate an address is different
Fuel Type (Electronic Version ONLY)	Do not change
LIHEAP Benefits	Total PY2021 LIHEAP benefit amount issued to you on the client's behalf.
ECIP Benefits	Amount of Energy Crisis Intervention funds paid to you on the client's behalf. In the "Notes" column, indicate changes if applicable.

Field Name	Instructions
Prior Yr Benefit Remaining	<p>Remaining amount on account from last year (based on information the vendor provided in the PY2020 ACR).</p> <p>If a client changed vendors during the 2019-2020 season, the benefit remaining will be reflected on the current vendor's report. Any remaining benefit from last year follows the client and will be listed on the new/current vendor's report. Example: Jane Smith's vendor for 2019-2020 was XXX who reported a remaining benefit of \$50.00. In 2020-2021, Jane Smith chose your company as her vendor. The remaining \$50.00 benefit will show up on your company's report even though you never received it. In such cases, please indicate in the "Notes" column that you did not receive the remaining benefit from last year.</p>
LIHEAP Gal/kWh	Disregard this column.
ECIP Gal/kWh	Disregard this column.
Total Household Gal/kWh	<p>Indicate the total number of kWh delivered between May 1, 2020 and April 30, 2021. This should conform to the type of Home Energy identified on the Vendor Voucher Report. Include all deliveries made to this household regardless of who paid for it. The total units (kWh) should include, but are not limited to, LIHEAP (current year & prior year funds), TANF Supplemental Benefits, ECIP, LIAP, private pay, General Assistance, Citizen's Energy, Salvation Army, etc.</p> <p>If the customer's account was used to purchase Home Energy for more than one dwelling (i.e., duplex), please put a note indicating that in the "Notes" column.</p>
Total Household Cost	<p>Indicate total cost to household associated with the kWh reported above. This is the total dollar amount of all deliveries regardless of who actually paid for them. The total cost should include, but is not limited to, LIHEAP (current year & prior year funds), TANF Supplemental Benefits, ECIP, LIAP, private pay, General Assistance, Citizen's Energy, Salvation Army, etc.</p> <p>Annual costs must NOT include service charges, late fees, or reconnection charges – <u>only the cost for actual Home Energy delivered.</u></p>
Benefit \$ Remaining	<p>Indicate any LIHEAP funds (current & prior year) and TANF Supplemental Benefits remaining on account for the customer.</p> <p>Do not report any credit balances resulting from private purchases or LIAP benefits; ONLY LIHEAP or TANF Supplemental funds.</p>
Pay Plan	<p>Payment Plan Code – if the household participated in a Supplier Payment Plan, indicate the type and description of the plan (ex. BP=budget plan). Do not enter more than 6 characters; if an explanation is required please provide in the notes section.</p>
Notes	<p>Blank space for you to make notes about the household (examples: plan explanation, client moved, is deceased, heats 2 units, same account for outbuilding, monies returned to MaineHousing, etc.).</p>
Report Completed By	Signature of the person who completed the report.
Print Name	Print name of the person who completed the report.
Date Completed	Date report was completed.
Phone Number	Phone number of person MaineHousing should contact with questions.
E-Mail Address	E-mail address of person who completed the report.

APPENDIX E: HOUSEHOLD ENERGY COST REPORT (HECR) INSTRUCTIONS

Electricity Vendors ONLY

1. Completed reports are due back to MaineHousing no later than July 5, 2021.
2. Reporting period is May 1, 2020 thru April 30, 2021.
3. Reports must be returned to MaineHousing securely. To ensure the report is sent securely, log in to the original email using your password, hit reply and attach the updated version of the report.

4. **Do NOT change the format** of the report (do not add, delete/hide columns, change headings etc.).
5. All number fields **must be numeric with no dollar signs (\$) or other symbols**. Enter a value or leave at '0'.
6. **DO NOT round** to the nearest whole number or dollar.

7. **Households who have moved to new service address**
 - a. If possible/practical, report aggregate kWh and cost; or
 - b. Report only kWh and cost associated with service address/account listed on the report. If you use this option, usage data will not be for 12 months and you will need to indicate such on the report.

Field Name	Instructions
Applicant Name	Do not change.
Account Number	Please review and provide updated account numbers. If you make a change, please put a comment in the "Notes" field.
Physical Address	Do not change. Please Note: If the client has moved this may not match the address you have on file. Only the first 20 characters were included in the report. Please put a comment in the "Notes" column to indicate an address is different
Physical Town	Do not change. Please Note: If the client has moved this may not match the address you have on file. Please put a comment in the "Notes" column to indicate an address is different
LIHEAP Benefits	Please disregard this field. For use with the ACR only.

ECIP Gal/kWh Purchased	Please disregard this field. Not applicable.

Field Name	Instructions
Total Household kWh	Indicate the total number of kWh consumed by the Household between May 1, 2020 and April 30, 2021 .
Total Household Cost	Indicate total cost to household associated with the kWh reported above. This is the total dollar amount paid to you for the usage regardless of who actually paid for it, including monthly service charges, usage charges, taxes, and fees.
Benefit \$ Remaining	Please disregard this field. For use with the ACR only.
Plan Code	Please disregard this field. Not applicable.
Notes	Blank space for you to make notes about the household (examples: updated account number, client moved, is deceased, heats 2 units, etc.). Is usage data for twelve months? Y / N / Unknown Please indicate in this field whether the usage data is for twelve months.
Report Completed By	Signature of the person who completed the report.
Print Name	Print name of the person who completed the report.
Date Completed	Date report was completed.
Phone Number	Phone number of person MaineHousing should contact with questions.
E-Mail Address	E-mail address of person who completed the report.

APPENDIX F: TANF SUPPLEMENTAL BENEFITS

The Maine Department of Health and Human Services will provide MaineHousing with TANF funding to supplement Fuel Assistance Benefits for HEAP-eligible Households with children.

Except as may be expressly provided for in the Vendor Handbook and Vendor Agreement, the use and administration of TANF Supplemental Benefits are subject to the same standards for HEAP benefits set forth in the Vendor Handbook and Vendor Agreement.

The following provides answers to some frequently asked questions about TANF Supplemental Benefits. For additional information, please email MaineHousing at liheap@mainehousing.org.

Q1	Who is the point of contact for questions about TANF Supplemental Benefits?
A1	All questions about TANF Supplemental Benefits should be directed to MaineHousing, not the local community action agency (CAA). Please email liheap@mainehousing.org or call 1-800-452-4668.
Q2	When will Credit Notification Reports be issued for PY 2021 TANF Supplemental Benefits?
A2	Households eligible for TANF Supplemental Benefits will be identified and processed simultaneously with the issuance of an eligible Household's HEAP benefit. .
Q3	How and when will clients be notified of their eligibility for TANF Supplemental Benefits?
A3	MaineHousing will mail client Benefit Notification letters on the third business day following the date the Credit Notification Report or Vendor Voucher Report was mailed/issued to the vendor.
Q4	Will Credit Notification Reports be issued/divided by (vendor) subsidiaries?
A4	If the vendor is currently set-up to receive separate HEAP Vendor Voucher Reports for its subsidiaries, the vendor will receive a separate CNR for each of its subsidiaries.
Q5	Do HEAP rules and guidelines apply to TANF Supplemental Benefits?
A5	<p>Except as expressly outlined in 1-3 below, the use and administration of TANF Supplemental Benefits are subject to the same requirements and guidelines as set forth for HEAP Benefits in the HEAP Vendor Handbook, the HEAP Rule – Chapter 24, and the Vendor Agreement. These rules and guidelines for HEAP are available online through MaineHousing's partner portal at http://www.mainehousing.org/partners/partner-type/community-agencies/heap-vendors. The following deviations from the HEAP rules and guidelines pertain to TANF Supplemental Benefits:</p> <ol style="list-style-type: none"> 1. Eligibility: A household will be eligible to receive a TANF Supplemental Benefit if: <ol style="list-style-type: none"> a. The household's application for HEAP has been certified eligible in the current year; The household includes at least one member who is under the age of eighteen (18) on the date of application for HEAP; and b. The household does not reside in subsidized housing with heat included. 2. The TANF Supplemental Benefit per eligible household per program year shall be determined each program year by MaineHousing based on the projected number of eligible households. 3. Vendor Payments: <ol style="list-style-type: none"> a. TANF Supplemental Benefits for Oil, Kerosene, Propane, Wood Pellets, Coal, Bio-Bricks and Corn will be paid to vendors on a post-delivery basis. Payment will be issued to the vendor within ten (10) business days of MaineHousing's receipt and approval of the vendor's documentation. b. TANF Supplemental Benefits for Electricity and Natural Gas will be issued to vendors pre-delivery.

Q6	What if the account information, physical address, or fuel type listed on the CNR or VVR differs from the vendor's (account) records?								
A6	Vendor must contact MaineHousing immediately at 1-800-452-4668. Any deviations from the CNR or VVR must be approved in writing by MaineHousing prior to delivery. Please notify MaineHousing if you become aware of any changes to the household's account or situation (ex. moved to new address, account closed, or deceased).								
Q7	Which funds/benefits must be used first?								
A7	A household's HEAP benefit must be exhausted before using TANF Supplemental Benefits. If the household receives a PY 2021 HEAP benefit and has a remaining credit balance of PY 2020 TANF Supplemental Benefits, the Vendor must use the PY 2020 TANF Supplemental Benefits first. Benefits/funds must be used in the following order: <ol style="list-style-type: none"> 1. PY 2020 HEAP funds 2. PY 2020 TANF Supplemental Benefits 3. PY 2021 HEAP funds 4. PY 2021 TANF Supplemental Benefits 								
Q8	Do TANF Supplemental Benefits expire?								
A8	Yes. Like regular HEAP benefits, TANF Supplemental Benefits are available for use during the program year of issue and up until April 30th of the program year immediately following. <table border="1" data-bbox="456 961 1133 1123" style="margin-left: auto; margin-right: auto;"> <thead> <tr> <th>Program Year</th> <th>Delivery must occur between:</th> </tr> </thead> <tbody> <tr> <td>PY 2019</td> <td>Oct. 1, 2018 and Apr. 30, 2020</td> </tr> <tr> <td>PY 2020</td> <td>Oct. 1, 2019 and Apr. 30, 2021</td> </tr> <tr> <td>PY 2021</td> <td>Oct. 1, 2020 and Apr. 30, 2022</td> </tr> </tbody> </table>	Program Year	Delivery must occur between:	PY 2019	Oct. 1, 2018 and Apr. 30, 2020	PY 2020	Oct. 1, 2019 and Apr. 30, 2021	PY 2021	Oct. 1, 2020 and Apr. 30, 2022
Program Year	Delivery must occur between:								
PY 2019	Oct. 1, 2018 and Apr. 30, 2020								
PY 2020	Oct. 1, 2019 and Apr. 30, 2021								
PY 2021	Oct. 1, 2020 and Apr. 30, 2022								
Q10	How does the vendor get paid for a delivery against a Credit Notification Report?								
A10	MaineHousing will make payment for a TANF Supplemental Benefit after the Vendor makes delivery as authorized by MaineHousing. <ol style="list-style-type: none"> 1. <u>Oil/Kerosene and Propane</u>. Vendor must submit a delivery ticket to MaineHousing together with a detailed account history showing delivery and payment activity from the previous May 1 through the date of the delivery being invoiced. If the total amount on the delivery ticket is greater than the amount being billed to TANF Supplemental Benefit, the following must be notated and signed/dated on the delivery ticket: <ol style="list-style-type: none"> a. Dollar amount to be paid by TANF Supplemental Benefits b. Dollar amount to be paid by HEAP (if applicable) c. Dollar amount to be paid by client, another party or organization (if applicable) 2. <u>Other Home Energy Types (except oil/kerosene and propane)</u>. Vendor must submit an invoice together with a detailed account history showing delivery and payment activity from the previous May 1 through the date of the delivery/purchase being invoiced. 3. MaineHousing will make payment within ten (10) business days of MaineHousing's receipt and approval of the required documentation. 								

Q11	Should delivery tickets/invoices and transaction reports be sent to MaineHousing or the community action agency?
A11	<p>The point of contact for TANF Supplemental Benefits is MaineHousing. All documentation and questions related to TANF Supplemental Benefits should be directed to MaineHousing. Please submit delivery tickets/invoices and transaction reports to one of the following:</p> <p>Mail: MaineHousing/LIHEAP, 26 Edison Drive, Augusta, ME 04330-4633</p> <p>Email: liheap@mainehousing.org (must be encrypted)</p> <p>Fax: (207) 624-5780</p> <p>Reminder: All Personally Identifiable Information (PII) must be sent encrypted, if sent via email.</p>
Q12	How are partial deliveries handled (i.e. amount delivered is less than household's remaining TANF Supplemental Benefit)?
A12	<p>The vendor may make multiple deliveries against the household's TANF Supplemental Benefit. MaineHousing will pay the vendor for each (partial) delivery within ten (10) business days of its receipt and approval of the required documentation (see Q9/A9 above).</p>
Q13	How do TANF Supplemental Benefits impact a household's eligibility for Energy Crisis Intervention Program (ECIP) services?
A13	<p>Any remaining TANF Supplemental Benefit funds/credits must be used in conjunction with or in lieu of ECIP funds. The community action agency will contact the vendor to confirm the amount of remaining TANF Supplemental Benefit funds/credits. Hence, the vendor must track the deliveries made and invoiced against a household's TANF Supplemental Benefit.</p> <p>ECIP amount will be equal to the fuel cost, plus delivery fee, minus remaining HEAP funds, and minus remaining TANF Supplemental Benefit credits.</p>
Q14	How will TANF Supplemental Benefits be reported on the Annual Consumption Report?
A14	<p>Deliveries funded by TANF Supplemental Benefits will be included in the Total Household gallons/units and Total Household Cost columns. Detailed instructions for completing the ACR are available in Appendix C of this Handbook.</p>
