

HOME ENERGY ASSISTANCE PROGRAMS (HEAP)

INCOME INFORMATION, CONFIDENTIALITY WAIVER, AND PENALTY PROVISION

The **Home Energy Assistance Program (HEAP)** provides money to help pay part of your home heating costs. The information on your HEAP application may be used to determine your household's eligibility for a number of programs administered by MaineHousing, your local Community Action Agency and MaineHousing Partner Agencies. Each program may have different income and program eligibility requirements. Eligibility for one program does not automatically guarantee eligibility for all programs.

If you are eligible for HEAP, you may also qualify for the programs described below as well as other programs (not listed here) designed for low-income households.

- (1) **Central Heating Improvement Program (CHIP)** provides assistance for the repair or replacement of malfunctioning or non-working primary heating systems.
- (2) **Energy Crisis Intervention Program (ECIP)** provides emergency fuel assistance if your health and safety is threatened by a heating crisis during the winter months.
- (3) **Low Income Assistance Plan (LIAP)** helps homeowners and renters with their electric utility bills.
- (4) **Weatherization Assistance Program (WAP)** provides grants to low-income homeowners and renters to reduce energy costs by improving home energy efficiency.

To determine and confirm your eligibility to participate in various programs, MaineHousing, your Community Action Agency and MaineHousing Partner Agencies will need to provide your personal information and personal information of other members of your household to state and federal agencies. MaineHousing, your Community Action Agency and MaineHousing Partner Agencies will in turn obtain information about you and other members of your household from those agencies and others. You and other household members must sign a release authorizing such information sharing. In addition, the release will permit MaineHousing, your Community Action Agency and MaineHousing Partner Agencies to inspect the heating fuel and utility billing and payment records for your current home for up to five years prior to and up to five years after the date of your application for purposes of determining eligibility and evaluating the effectiveness of any weatherization work performed.

You may be held civilly or criminally liable under federal or state law for knowingly making fraudulent statements or for using HEAP fuel in a manner that is inconsistent with MaineHousing or federal requirements.

MaineHousing will review the file, conduct necessary research, and give the applicant an opportunity to present written or oral objections to the decision under review. In rendering a decision MaineHousing will evaluate the accuracy of the calculations, the level of documentation provided by the applicant, and the accuracy of the decision. MaineHousing will communicate the results of the review to the applicant.

Fair Hearing: MaineHousing will provide an applicant an opportunity for a fair hearing if the applicant's claim for assistance has been denied, or not acted upon with reasonable promptness, or the applicant disputes the benefit amount. MaineHousing will also provide an applicant an opportunity for a fair hearing if the applicant is required to refund an overpayment.
