Your Program Year 2026 Home Energy Assistance Program (HEAP) application has been inactivated because your original signed application was not received in our office by June 5, 2026.

Since your paperwork was not received within the established timeframe, we are unable to process the application.

Please consider applying for the upcoming 2027 HEAP season when the program opens on August 3, 2026 by calling our office at the phone number listed above.
