This borrower-signed document gives the lender, the lender's successors and assigns, and the lender's mortgage servicer authorization to request that the lender or the lender's successor and assign be added to the borrower's homeowner's insurance policy as a mortgagee and/or additional insured.

The undersigned borrower(s) hereby authorize \_\_\_\_\_ (the "Lender"), the Lender's successors and assigns, and the Lender's mortgage servicer, when necessary, to contact the then present company acting as the insurer for the homeowner's insurance policy, for the purpose of adding the Lender, or the Lender's successor and assign, as a mortgagee and/or additional insured on the undersigned borrower(s)'s homeowner's insurance policy. The undersigned borrower(s) further authorizes the Lender, the Lender's successors and assigns, and the Lender's mortgage servicer to provide any information and documentation contained in the undersigned borrower(s)'s mortgage servicing file to said insurer to facilitate adding the Lender or the Lender's successor and assign to the homeowner's insurance policy as a mortgagee and/or additional insured.

The undersigned borrower(s) do hereby so authorize to assure that the homeowner's insurance policy conforms with the requirements of the mortgage in the event the Lender transfers, sells, or conveys its interest in the mortgage loan to a third party.
