Program Summary

The purpose of the Recovery Housing Program (RHP) is to provide stable, temporary housing (up to 24 months) to low- or moderate-income persons in recovery from a substance use disorder. The State of Maine was allocated \$951,000 of FY2020 RHP funding from the US Department of Housing and Urban Development (HUD). The RHP is authorized under Section 8071 of the SUPPORT for Patients and Communities Act and is a pilot program. Section 8071 requires RHP funds be treated as Community Development Block Grants (CDBG) funds, with certain waivers and alternative requirements. The State of Maine received RHP funding because it has an age-adjusted rate of drug overdose deaths above the national overdose mortality rate, according to the Centers for Disease Control and Prevention.

MaineHousing, in partnership with the Maine Department of Health and Human Service's Office of Behavioral Health (OBH), has identified a need for additional housing for individuals exiting recovery residences, as well as individuals for who a recovery residence may not be an appropriate setting. RHP funds will be awarded by MaineHousing to one or more entities to produce, preserve and/or rehabilitate rental housing. Funds will be made available through an application process to ensure all HUD requirements are met. Applicants must demonstrate an ability to operate the housing and directly or indirectly provide recovery related services for participants. Operating and service funds are not provided with RHP funding. Suggested services include case management, direct connection to peer support, clinical addiction services, employment, vocational and educational opportunities, assistance with social, personal and living skills and mental health services.

Responsible Agencies

MaineHousing has been designated as the Recovery Housing Administrator and primary point of public contact for the Recovery Housing Plan. The Draft Recovery Housing Plan for 2020 can be viewed and downloaded on the MaineHousing website.

Resources

MaineHousing will make available \$874,920 of FY2020 RHP funding. No program income or other federal program funding are expected to be available for RHP eligible activities.

Use of Funds

1. Awards to Communities: MaineHousing will not distribute all or part of the RHP funds directly to municipalities.
2. Activities Carried Out Directly: MaineHousing will distribute RHP funds through a competitive process by selecting applications that are submitted by eligible recipients. MaineHousing will issue a Request for Proposals to eligible applicants that will assign scoring based upon a combination of the required selection criteria located in FR-6225-N-01 and selection criteria adopted by MaineHousing. All activities identified in the Notice shall be eligible, MaineHousing will prioritize obligating funds for acquisition and rehabilitation of existing housing units, adaptive re-use of existing buildings, and new construction of rental housing units. MaineHousing will retain 5% (\$47,550) of RHP funds for administrative costs and 3% (\$28,530) of RHP funds to provide technical assistance.
3. Eligible Subrecipients: Eligible Subrecipients include not-for-profit organizations, including Indian Tribes. Applicants will need to demonstrate experience, or new capacity, to assist individuals in recovery to attain self-sufficiency and individual recovery goals. Additionally, eligible applicants must demonstrate capacity to comply with RHP program requirements as identified in Notice of FY2020 Allocations, Waivers, and Alternative Requirements for the Pilot Recovery Housing Program (Docket No. FR-6225-N-01).
4. Criteria for Evaluation of Application and Applicants: MaineHousing will evaluate applications and applicants based on the two HUD-required criteria, which will be incorporated in to additional MaineHousing criteria.

Criteria:

Extent to which the applicant will provide housing and services to vulnerable populations. (HUD Criteria One) Applicants will receive points for projects that serve the specific needs of vulnerable populations. The degree of need for the populations served, and appropriateness of plans for providing services to tenants, will be evaluated.

Applicants' ability to obligate RHP funds in a timely manner. (HUD Criteria Two) Applicants will be evaluated on project readiness, including items like local approvals, architectural plans, and site control. Additionally, MaineHousing will consider their track-record for developing projects successfully within a reasonable timeframe.

Applicant's ability to undertake required eligible development activities. Applicants will be evaluated on their development capacity, and experience with public sector housing development programs. Past experience of members of the development team will be considered.

Extent to which the application makes use of additional funding sources. Applicants will be evaluated on the quantity, quality and timeliness of leveraged funding (other than MaineHousing resources) that will be committed to the proposed project. Additional points may be awarded to projects that leverage a greater amount of non-federal funding.

Amount of Federal, State, or local rental assistance to ensure rents are affordable to extremely low-income families. Applicants will receive points for projects that include assistance from other entities, which may include rental-assistance or service contracts for the duration of the project reporting period.

Priority based upon underserved areas. MaineHousing will regard the entire State of Maine as the eligible area for purposes of the RHP. However, applicants will receive points for projects that will be developed in locations are underserved.

Merits of the application in meeting the State's housing priority needs. All applications will be required to address one or more of the following Consolidated Plan priorities: Improve and Preserve the Quality of Housing, Expand Affordable Housing Opportunities, and/or Help Maine People Attain Housing Stability.

Definitions

The following definitions apply to the MaineHousing RHP:

Individual in Recovery: OBH defines recovery from a substance use disorder as, “A process of change through which individuals improve their health and wellness, live a self-directed life, and strive to reach their full potential.”

For the purposes of this RFP, an individual in recovery shall be defined as an individual engaged in the process of change through which they seek to improve their health and wellness, live a self-directed life, and strive to reach their full potential.

Substance Use Disorder: OBH defines substance use disorder as the recurrent use of alcohol and/or drugs causing clinically significant impairment, including health problems, disability, and failure to meet major responsibilities at work, school or home.

For the purpose of this RFP, substance use disorder shall be defined as the recurrent use of alcohol and/or drugs causing clinically significant impairment, including health problems, disability, and failure to meet major responsibilities at work, school or home.

Recovery Housing is a non-medical setting designed to support recovery from substance use disorders, providing a substance-free living environment commonly used to help individuals

transition from a highly structured residential treatment programs back into their day-to-day lives. Substance-free does not prohibit prescribed medications as directed by a licensed prescriber, such as pharmacotherapies specifically approved by the Food and Drug Administration for the treatment of opioid use disorder as well as other medications with the indication for the treatment of co-occurring disorders.

Anticipated Outcomes and Expenditure Plan

To ensure that 30% of FY2020 RHP funds are expended within twelve months of MaineHousing's receipt of the RHP grant agreement from HUD, MaineHousing will issue a request for proposals by September 2021. The request for proposal will include timelines and markers to ensure that FY2020 RHP funds are expended before the end of the performance period.

MaineHousing has established the following outcome measures:

- 1 – Number of individuals served – X individuals served annually
- 2 – Number of individuals transitioning to permanent housing – X*.5 individuals will transition to permanent housing on an annual basis
- 3 – Increasing Independence – X*.5 individuals will increase their income on an annual basis

X will be determined by the number of units developed with these funds.

These measures will be reported to HUD annually.

Citizen Participation

MaineHousing will make the Recovery Housing Action Plan available for public comment for a period of 15 days beginning July 22, 2021 and ending on August 10, 2021. A public hearing to solicit input on the Recovery Housing Program Plan will be held on August 3, 2021. A summary of any comments or views not accepted and the reasons therefore will be attached to the Recovery Housing Action Plan.

Partner Coordination

MaineHousing will coordinate RHP funding with Maine Department of Health and Human Services' Office of Behavioral Health (OBH). OBH manages State Opioid Response funding which aims to support recovery by increasing access to medication-assisted treatment and reducing unmet treatment needs through the support of evidence-based prevention, treatment and recovery support services. OBH also manages Substance Abuse Prevention and Treatment Block Grant funding, which provides funding with the objective to help plan, implement and evaluate activities that prevent and treat substance abuse.

Subrecipient Management and Monitoring

MaineHousing will use existing policies and procedures to monitor RHP subrecipients, ensuring that all activities are carried out in accordance with all applicable laws, regulations and policies.

All projects awarded RHP funding will be monitored, on an annual basis after completion and before closeout of the project. If any monitoring findings are identified, findings will be resolved before completion and/or closeout.

Prior to awarding funds MaineHousing staff will conduct activities associated with application review, environmental review, underwriting and construction document review. After funds have been awarded, MaineHousing staff will monitor construction process through on-site visits and meetings, budget and process via monthly requisitions and loan closing process.

After construction, and for the duration of the compliance period, MaineHousing will perform project monitoring to ensure compliance with loan documents.

Pre-award/Pre-Agreement Costs:

RHP funds may be used for pre-award/pre-agreement technical assistance and administrative costs of MaineHousing including application and technical assistance to potential subrecipients, development of the RHP Action Plan, to conduct the citizen participation process and related administrative costs.
