

RFP for Creating Additional Bed Capacity for Existing Homeless Shelters
Questions & Answers
2/7/24

Q: If an existing shelter provider has space to add bed capacity in a building they own that is not currently being utilized as a shelter would that be an eligible activity?

A: Yes - as long as the provider owns the building and it will increase overall bed capacity.

Q: Does this funding require 100% matching funds?

A: Yes. This was required by the legislature.
