Additional information concerning MaineHousing can be found at www.mainehousing.org.

Governor Mills and the Maine State Legislature have provided funding to MaineHousing, through L.D. 3, to address the crisis of unsheltered homelessness in Maine. This Notice of Funding Availability (“Notice”) invites applications for funding of permanent, long-term solutions based on an individual community’s needs. A separate Notice of Funding Availability has been issued concurrently with this Notice to address specific solutions for winter 2023.

APPENDIX C
INFORMATION ON HOMELESS SERVICE HUBS

for
Maine Housing Notice of Funding Availability for Long-Term Solutions to Assist
People Experiencing Homelessness

REGIONAL HOMELESS SYSTEM DESIGN AND IMPLEMENTATION

The nine Homeless Service Hubs operate from a framework from which coordination of activities such as provider training, coordination, referrals and distribution of housing resources can be efficiently deployed. This new structure allows homeless service providers to effectively plan and launch the new Coordinated Entry System, standardize training, engage other mainstream systems such as justice and healthcare and remove access barriers for individuals seeking support. Coordinated Entry is a consistent, streamlined process for accessing the resources available in the homeless crisis response system. Through coordinated entry, a Continuum of Care (CoC) ensures that the highest need, most vulnerable households in the community are prioritized for services and that the housing and supportive services in the system are used as efficiently and effectively as possible. Each Homeless Service Hub will determine its own governance structure and process for system engagement going forward, but with commitment to similar driving principles of person-centered care.
